Applicant served copies of the application on the Hawaii Transportation Association and the Hawaii State Certified Common Carriers Association, Inc., which consist of carriers that may be affected by Applicant's proposed service, and on the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate"). The Consumer Advocate did not participate in this proceeding, and no persons moved to intervene in this docket.

II.

Based upon our review of the record, we find that Applicant is fit, willing, and able to properly perform the proposed service, and to conform to Hawaii Revised Statutes chapter 271 and the requirements and rules of the commission. We also find that the proposed service is required by the present and future public convenience and necessity. Accordingly, we conclude that Applicant's request for an extension of his authority should be granted.

III.
