Docket No. 05-0315  
Order No. 23153

ORDER

By this Order, the commission adopts the Proposed Revised Procedural Schedule submitted by HAWAII ELECTRIC LIGHT COMPANY, INC. ("HELCO") and the DEPARTMENT OF COMMERCE AND CONSUMER AFFAIRS, DIVISION OF CONSUMER ADVOCACY ("Consumer Advocate") (collectively, the "Parties"), on December 8, 2006.<sup>1</sup>

I.

Proposed Revised Procedural Schedule

On May 5, 2006, HELCO filed an application for approval of a general rate increase and revised rate schedules and rules ("Application"). Pursuant to Order No. 22663, the commission

<sup>1</sup>The Consumer Advocate is an ex officio party to this proceeding, pursuant to Hawaii Revised Statutes § 269-51 and Hawaii Administrative Rules ("HAR") § 6-61-62(a). Keahole Defense Coalition, Inc. ("KDC") is a participant in this proceeding, pursuant to Order No. 22663, filed on August 1, 2006 ("Order No. 22663"). The Proposed Revised Procedural Schedule is attached as Exhibit 1 to this Order.

granted participation status without intervention, to KDC.<sup>2</sup> The commission limited KDC's participation to those issues related to the expansion of the HELCO Keahole Generating Station.<sup>3</sup>

Pursuant to Order No. 22903, filed on September 28, 2006, the commission adopted, with modification, the Stipulated Prehearing Order submitted by HELCO, the Consumer Advocate, KDC and RMI ("Order No. 22903").

By letter dated November 1, 2006, the Consumer Advocate requested that Section II of the Stipulated Prehearing Order adopted in Order No. 22903, i.e., Schedule of Proceedings, be suspended to allow the Consumer Advocate additional time to review HELCO's responses to outstanding discovery ("Request to Suspend Procedural Schedule"). HELCO replied to the Request to Suspend Procedural Schedule by letter to the commission dated November 9, 2006, in which HELCO stated that it opposed the Consumer Advocate's request and proposed working with the Consumer Advocate to reach an agreement on a revised procedural schedule for submission to the commission ("HELCO Reply").<sup>4</sup> By letter dated November 20, 2006, the Consumer Advocate reiterated its desire to suspend the current procedural schedule and

<sup>2</sup>Rocky Mountain Institute ("RMI") was also granted participation status without intervention by the commission in Order No. 22663. By Order No. 23108, filed on December 5, 2006, the commission approved the withdrawal of RMI as a participant in the instant proceeding.

<sup>3</sup>See Order No. 22663 at 7.

<sup>4</sup>By this letter, HELCO also submitted for the commission's review, a proposed revised procedural schedule.

recommended that the commission reject HELCO's proposed procedural schedule.

By letter dated December 1, 2006, the commission instructed the Parties and KDC to submit a proposed revised stipulated procedural schedule for the commission's review and approval by December 8, 2006. On December 8, 2006,<sup>5</sup> the Parties submitted a Revised Stipulated Procedural Schedule for the commission's consideration and approval.<sup>6</sup> HELCO and the Consumer Advocate propose the following revisions to the Schedule of Proceedings (the Parties' proposed revisions to the current procedural schedule are underlined):

HELCO Application, Direct Testimonies, Exhibits and Workpapers	May 5, 2006

---

<sup>5</sup>A copy of the letter was also sent to RMI, as the commission had not, as of December 1, 2006, approved RMI's withdrawal as a participant in this docket.

II.

Discussion

The commission finds the Parties' Proposed Revised Procedural Schedule to be reasonable in light of the voluminous discovery by the Parties.<sup>7</sup> While the Proposed Revised Procedural Schedule condenses the time available to the commission to review the Parties' probable entitlement statement and response, it gives the Consumer Advocate additional time to conduct discovery while still allowing the proceeding to move forward without undue delay. Accordingly, the commission concludes that the Proposed Revised Procedural Schedule, submitted by the Parties on December 8, 2006, should be approved.

---

<sup>7</sup>For example, in the HELCO Reply, HELCO notes that the Consumer Advocate submitted 510 information requests with "subparts," totaling almost 1,800 questions.
