II.

Findings and Conclusions

In accordance with Hawaii Revised Statutes ("HRS") § 271-19, operating authority under a certificate of public convenience and necessity may be terminated upon application of the holder. The commission finds good cause to grant Petitioner's request to terminate its authority.¹

III.

Orders

THE COMMISSION ORDERS:

1. Petitioner's authority to transport property under Certificate No. 3039-C is terminated, effective from the date of this Order.
2. Petitioner shall remove any markings from the vehicles used in its operations. Petitioner shall comply with the foregoing requirement within fifteen (15) days from the date of this Order.
3. If Petitioner fails to comply with the foregoing requirement within the time period specified, it may be subject to penalties pursuant to HRS § 271-27.

¹At the same time, we note that Petitioner has not filed its 2006 AFR and applicable fee for the period from January 1, 2006 to October 5, 2006 (the date that Petitioner's request was filed) pursuant to our e-mail request of October 18, 2006, and letter requests dated November 1, 2006 and December 7, 2006. Thus, should Petitioner in the future request authority to operate as a motor carrier, it will need to first, if it has not yet done so, satisfy this matter before its application is reviewed by the commission.

4. This docket is closed unless otherwise ordered by the commission.
