

authority under Certificate No. 4072-C to include the general commodities classification.¹

Applicant served copies of the application on the Hawaii Transportation Association, which consists of carriers that may be affected by Applicant's proposed service, and on the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate"). The Consumer Advocate did not participate in this proceeding, and no persons moved to intervene in this docket.

II.

Findings and Conclusions

Based upon our review of the record, we find that Applicant is fit, willing, and able to properly perform the proposed service, and to conform to Hawaii Revised Statutes chapter 271 and the requirements and rules of the commission. We also find that the proposed service is required by the present and future public convenience and necessity. Accordingly, we conclude that Applicant's request for an extension of its authority should be granted.

¹Applicant also requested that the commission approve the transfer of Certificate No. 4072-C from Hana Wai Waterwagon Services, Inc. to Valley Isle Trucking, Inc. The commission notes, however, that the proposed transfer is not a transaction pursuant to Hawaii Revised Statutes § 271-18, but merely a change in corporate name as evidenced by the Articles of Amendment to Change Corporate Name filed with the application, and, thus, does not need commission approval.

III.

Orders

THE COMMISSION ORDERS:

1. Applicant is authorized to operate as a common carrier of property by motor vehicle over irregular routes on the island of Maui in the general commodities and dump truck classifications.²

2. Applicant shall comply with all of the commission's requirements for common carriers by motor vehicle including, but not limited to, filing a lawful tariff and filing the appropriate insurance documents.

3. Applicant shall comply with the foregoing requirements within one hundred and twenty (120) days after service of this Decision and Order. Failure to comply within the time specified constitutes cause for this commission to vacate this Decision and Order.

4. Applicant shall not commence operations in the general commodities classification until it has received written confirmation from the commission that all requirements have been met.

²Applicant's specific commodities authority is subsumed under its general commodities authority.
