Docket No. 2007-0179
Decision and Order No. **23793**

DECISION AND ORDER

By this Decision and Order, the commission authorizes MY DESIGN VENTURES LLC, dba HAWAIIAN ESCAPADES ("Applicant"), to extend its authority under certificate of public convenience and necessity number 1867-C ("Certificate No. 1867-C") to include the 1-to-7 passenger classification on the island of Oahu.

I.

Application to Extend Common Carrier Authority

Applicant is a common carrier of passengers by motor vehicle over irregular routes on the island of Oahu in the 8-to-25 passenger classification. On July 2, 2007, Applicant filed an application seeking commission approval to extend its authority under Certificate No. 1867-C to include the 1-to-7 passenger classification.

Applicant served copies of the application on the Hawaii Transportation Association and the Hawaii State Certified Common Carriers Association, Inc., which consist of carriers that may be affected by Applicant's proposed service, and on the

Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate"). The Consumer Advocate did not participate in this proceeding, and no persons moved to intervene in this docket.

II.

Findings and Conclusions

Based upon our review of the record, we find that Applicant is fit, willing, and able to properly perform the proposed service, and to conform to Hawaii Revised Statutes chapter 271 and the requirements and rules of the commission. We also find that the proposed service is required by the present and future public convenience and necessity. Accordingly, we conclude that Applicant's request for an extension of its authority should be granted.

III.

Orders

THE COMMISSION ORDERS:

1. Applicant is authorized to operate as a common carrier of passengers by motor vehicle over irregular routes on the island of Oahu in the 1-to-7 and 8-to-25 passenger classifications.

2. This docket is closed unless otherwise ordered by the commission.
