Findings and Conclusions

In accordance with Hawaii Revised Statutes ("HRS") § 271-19, operating authority under a certificate of public convenience and necessity may be terminated upon application of the holder. The commission finds good cause to grant Petitioner's request to terminate his authority.¹

III.

Orders

THE COMMISSION ORDERS:

1. Petitioner's authority to transport passengers under Certificate No. 5756-C is terminated, effective from the date of this Order.

2. Petitioner shall remove any markings from the vehicles used in his operations. Petitioner shall comply with the foregoing requirement within fifteen (15) days from the date of this Order.

3. If Petitioner fails to comply with the foregoing requirement within the time period specified, he may be subject to penalties pursuant to HRS § 271-27.

4. This docket is closed unless otherwise ordered by the commission.

¹At the same time, we note that Petitioner has not filed his 2007 AFR and applicable fee for the period from January 1, 2007 to May 31, 2007 (the date that Petitioner's request was filed) pursuant to our written requests of June 4, 2007 and June 21, 2007. Thus, should Petitioner in the future request authority to operate as a motor carrier, he will need to first, if he has not yet done so, satisfy this matter before his application is reviewed by the commission.
