Findings and Conclusions

Based upon our review of the record, we find that Applicant is fit, willing, and able to properly perform the proposed service, and to conform to HRS chapter 271, and the requirements and rules of the commission. We also find that the proposed service will meet the distinct needs of National Delivery Service, and, pursuant to HRS § 271-13, will be consistent with the public interest and the transportation policy declared in HRS chapter 271. Accordingly, we conclude that Applicant's request for operating authority, as set forth in the application, should be granted.
