KAREN HIGASHI
Chief Clerk, Public Utilities
Commission, State of Hawaii.

K. Higashi.

Transferor served copies of the application on the Hawaii Transportation Association, which consists of carriers that may be affected by the proposed transfer, and on the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate"). The Consumer Advocate did not participate in this proceeding, and no persons moved to intervene in this docket.

II.

Findings and Conclusions

Upon review of Transferor's application, the commission finds that Transferee is fit, willing, and able to perform the services presently performed by Transferor, and that the proposed transfer of Certificate No. 4077-C is just and reasonable and will be consistent with the public interest. Accordingly, the commission concludes that the proposed transfer is in accordance with HRS § 271-18, and should, therefore, be approved.

III.

Orders

THE COMMISSION ORDERS:

1. Transferor's application to transfer Certificate No. 4077-C to Transferee is approved.

2. Transferee shall comply with all of the commission's requirements for common carriers by motor vehicle including, but not limited to, filing a lawful tariff, paying a fee of \$20 for motor carrier gross revenues, and filing the appropriate insurance documents.

3. Transferor shall file with the commission its annual financial report for the period of operation from January 1, 2007, to the effective date of this Decision and Order, and shall pay the associated motor carrier gross revenue fee.

4. Transferor and Transferee shall comply with the foregoing requirements within one hundred and twenty (120) days after service of this Decision and Order. Failure to comply within the time specified constitutes cause for this commission to vacate this Decision and Order.

5. Transferee shall not commence operations under this Decision and Order until it has received written confirmation from the commission that all requirements have been met.
