Docket No. 2008-0101

DECISION AND ORDER

By this Decision and Order, the commission authorizes PACIFIC BRIDGES, INC. ("Applicant") to extend its authority under certificate of public convenience and necessity number 2107-C ("Certificate No. 2107-C") to include the general commodities and household goods classifications on the island of Oahu, subject to certain conditions, as described herein.

I.

Application to Extend Common Carrier Authority

Applicant is a common carrier of property by motor vehicle over irregular routes on the island of Oahu in the specific commodities (antiques and fragile merchandise requiring special handling) classification. By application filed on May 30, 2008, and amended on June 18, 2008, Applicant seeks commission approval to extend its authority under Certificate No. 2107-C to include the general commodities and household goods classifications on the island of Oahu.

Applicant served copies of the application on the Hawaii Transportation Association, which consists of carriers that may be affected by Applicant's proposed service, and on the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate"). The Consumer Advocate did not participate in this proceeding, and no persons moved to intervene in this docket.

II.

Findings and Conclusions

Based upon our review of the record, the commission finds that Applicant is fit, willing, and able to properly perform the proposed service, and to conform to Hawaii Revised Statutes Chapter 271 and the requirements and rules of the commission. The commission also finds that the proposed service is required by the present and future public convenience and necessity. Accordingly, the commission concludes that Applicant's request for an extension of its authority should be granted.

III.

Orders

THE COMMISSION ORDERS:

1. Applicant is authorized to operate as a common carrier of property by motor vehicle over irregular routes on the

island of Oahu in the general commodities and household goods classifications.¹

2. Within one hundred and twenty (120) days after service of this Decision and Order, Applicant shall:

- a. Complete and submit the enclosed insurance forms: (a) Motor Carrier Cargo Certificate of Insurance (MCB-8), and (b) Motor Carrier Cargo Insurance Endorsement (MCB-9). The forms should include the policy number and be completed and signed by Applicant's insurance agent or company; or they will be rejected.²
- b. File an amended tariff that reflects its new authority in the general commodities and household goods classifications.

3. Applicant shall comply with the foregoing requirements within one hundred and twenty (120) days after service of this Decision and Order. Failure to comply within the time specified may constitute cause for this commission to vacate this Decision and Order.

4. Applicant shall not commence operations in the general commodities and household classifications until it has received written confirmation from the commission that all requirements have been met.

¹Applicant's specific commodity authority is subsumed under its general commodity authority.

²An explanation of the cargo insurance coverage requirements is attached to this Decision and Order.
