In the Matter of the Application of
HAWAIIAN TELCOM SERVICES COMPANY, INC.

For Approval of Plan to Market Call More Bundled Service Option Promotional Discount in Conjunction With Hawaiian Telcom Go Local And Hawaiian Telcom Go Local Plus Promotion Filed Under the Company's Letter of Intent in Transmittal No. 07-21 on October 8, 2007 and Extended Through June 30, 2008 in Transmittal No. 07-26

DECISION AND ORDER

By this Decision and Order, the commission approves HAWAIIAN TELCOM SERVICES COMPANY, INC.'s ("HTSC") application, filed on January 9, 2008, for approval to market Call More Bundled Service Option MRC Promotional Discount ("Call More Promotional Discount") in conjunction with Hawaiian Telcom, Inc.'s ("HTI") Go Local and Go Local Plus service offerings, either under HTI's general or promotional tariffs, including but not limited to the "Go Local Promotions" filed in HTI's Letter of Intent under Transmittal No. 07-21 on October 8, 2007 and effective from October 15, 2007 through January 14, 2008, and extended through June 30, 2008 in HTI's Letter of Intent under Transmittal No. 07-26 filed on December 19, 2007 ("Application").
I. Application

As described in the Application, HTSC's Call More℠ Bundled Service Option ("Call More℠ Bundle") is an optional calling plan offered to residential customers who also subscribe to Hawaiian Telcom Go Local℠ or Hawaiian Telcom Go Local Plus℠ services offered by its affiliate, HTI, in HTI PUC Tariff No. 20, Section 5.12.19. HTSC also offers residential customers an interstate Call More℠ Bundle in its Rates, Terms, and Conditions No. 1. HTSC states that the purpose of the Application is to obtain commission approval to offer HTSC's proposed Call More℠ Promotional Discount under the proposed promotional tariff, attached as Exhibit 1 to the Application, as well as offer this Call More℠ Promotional Discount in conjunction with HTI's Go Local℠ service offerings ("Call More℠/Go Local℠ Promotion Bundle").1 HTSC requests that the effective date of its Call More℠ Promotional Discount coincide with the effective date of the Call More℠/Go Local℠ Promotional Bundle.

In connection with the foregoing, HTSC requests commission approval of a specific subset of the Call More℠/Go Local℠ Promotional Bundle. Specifically, HTSC requests approval to substitute the Call More℠ Promotional Discount plan in lieu of the Call More℠ Bundle plan described in its Hawaii PUC

---

1HTSC points out in the Application that, if the Application is approved, it will also mean that the Call More℠ Promotional Discount can be used in conjunction with any of HTSC's ongoing myChoice℠ bundles because HTI's Go Local℠ and Go Local Plus℠ service offerings are the qualifying local exchange component of each and every myChoice℠ bundle. See Application at 1 n.1.
Tariff No. 1, Section 3.6.13 as the long distance toll component in its myChoice™ bundled service plans.\textsuperscript{2}

HTSC filed its Application pursuant to Hawaii Revised Statutes ("HRS") § 269-16, Hawaii Administrative Rules ("HAR") § 6-80-35(e), and Decision and Order No. 23443, filed on May 17, 2007, in Docket No. 2007-0062 ("Decision and Order No. 23443").

In Decision and Order No. 23443, the commission established a streamlined, modified process for reviewing bundled services offerings for HTSC and HTI, as follows:

1. Requests for approval of Bundled Services offerings shall be filed via application to the commission. The application must contain information sufficient to determine whether each Bundled Services offering complies with the specific criteria that the commission has identified and utilized in its prior approvals of bundled services, or any additional criteria that may be applicable to demonstrate that the non-competitive services are not subsidizing the competitive services.

2. Such applications before the commission will take effect thirty days from filing of the application, unless suspended by the commission for further review.\textsuperscript{3}

Pursuant to Paragraph 2, above, HTSC requested that approval of its Application take effect on February 8, 2008, which is thirty days after the filing date of the Application.\textsuperscript{4}

\textsuperscript{2}The commission approved the existing myChoice™ bundled service plans in Decision and Order No. 22985, on October 27, 2006, in Docket No. 2006-0367.

\textsuperscript{3}Decision and Order No. 23443 at 13.

\textsuperscript{4}The Division of Consumer Advocacy, Department of Commerce and Consumer Affairs, an ex officio party to all proceedings
Upon review of the Application, the commission finds that it meets the requirements of Decision and Order No. 23443. Accordingly, the Application is approved.
