Decision and Order No. 24117

DECISION AND ORDER

By this Decision and Order, the commission authorizes HYANG HEE PAK ("Applicant") to extend her authority under certificate of public convenience and necessity number 1843-C ("Certificate No. 1843-C") to include the 8-to-25 passenger classification on the island of Hawaii, excluding Waipio Valley, subject to certain conditions, as described herein.

I.

Application to Extend Common Carrier Authority

Applicant is a common carrier of passengers by motor vehicle over irregular routes on the island of Oahu in the 8-to-25 passenger classification. On December 21, 2007, Applicant filed an application seeking commission approval to extend her authority under Certificate No. 1843-C to include the 8-to-25 passenger classification on the island of Hawaii, excluding Waipio Valley.

Applicant served copies of the application on the Hawaii Transportation Association, which consists of carriers that may be affected by Applicant's proposed service, and on the

Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate"). The Consumer Advocate did not participate in this proceeding, and no persons moved to intervene in this docket.

II.

Findings and Conclusions

Based upon our review of the record, the commission finds that Applicant is fit, willing, and able to properly perform the proposed service, and to conform to Hawaii Revised Statutes Chapter 271 and the requirements and rules of the commission. The commission also finds that the proposed service is required by the present and future public convenience and necessity. Accordingly, the commission concludes that Applicant's request for an extension of her authority should be granted.

III.

Orders

THE COMMISSION ORDERS:

1. Applicant is authorized to operate as a common carrier of passengers by motor vehicle over irregular routes on the islands of Oahu and Hawaii (excluding Waipio Valley) in the 8-to-25 passenger classification.

- a. File a tariff that reflects Applicant's new authority in the 8-to-25 passenger classification on the island of Hawaii.
