DECISION AND ORDER

By this Decision and Order, the commission grants
T. YOSHIMURA CONTRACTING, INC. ("Applicant") a certificate of
public convenience and necessity ("Certificate") to operate as a
common carrier of property by motor vehicle over irregular routes
on the island of Oahu in the dump truck classification, subject
to certain conditions, as described herein.

I.

Application for Common Carrier Authority

On January 22, 2008, Applicant filed an application
requesting a Certificate to operate as a common carrier of
property by motor vehicle over irregular routes on the island of
Oahu in the dump truck classification. The application was filed
pursuant to Hawaii Revised Statutes ("HRS") § 271-12.

Applicant served copies of the application on the
Hawaii Transportation Association, which consists of carriers
that may be affected by Applicant's proposed service, and on the
Division of Consumer Advocacy, Department of Commerce and
Consumer Affairs ("Consumer Advocate"). The Consumer Advocate did not participate in this proceeding, and no persons moved to intervene in this docket.

II.

Findings and Conclusions

Based upon our review of the record, the commission finds that Applicant is fit, willing, and able to properly perform the proposed service, and to conform to HRS Chapter 271 and the requirements and rules of the commission. The commission also finds that the proposed service is required by the present and future public convenience and necessity. Accordingly, the commission concludes that Applicant's request for operating authority, as set forth in the application, should be granted.

III.

Orders

THE COMMISSION ORDERS:

1. Applicant is granted a Certificate to operate as a common carrier of property by motor vehicle over irregular routes on the island of Oahu in the dump truck classification.

2. Within one hundred and twenty (120) days after service of this Decision and Order, Applicant shall:

("WMTB"), Applicant shall submit an executed Rate and Tariff Agreement or a tariff scope sheet confirming Applicant’s membership in the tariff bureau.²

3. Applicant shall comply with the foregoing requirements within one hundred and twenty (120) days after service of this Decision and Order. Failure to comply within the time specified may constitute cause for this commission to vacate this Decision and Order.

4. Applicant shall not commence operations under this Decision and Order until it has received written confirmation from the commission that all requirements have been met.
