DECISION AND ORDER

By this Decision and Order, the commission grants COMMODITY FORWARDERS, INC. ("Applicant") a permit to operate as a contract carrier of property by motor vehicle over irregular routes on the islands of Kauai, Oahu, Maui, and Hawaii, in the general commodities classification, pursuant to a contract with Love's Bakery, Inc., and subject to certain conditions, as described herein.

I.

Application for Common Carrier Authority

By application filed on December 6, 2008, and amended on March 9, 2009, Applicant requests a permit to operate as a contract carrier of property by motor vehicle over irregular routes on the islands of Kauai, Oahu, Maui, and Hawaii, in the general commodities classification, pursuant to a contract with Love's Bakery, Inc. The application was filed pursuant to Hawaii Revised Statutes ("HRS") § 271-13.

Applicant served copies of the application on the Hawaii Transportation Association, which consists of carriers that may be affected by Applicant's proposed service, and on the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate"). The Consumer Advocate did not participate in this proceeding, and no persons moved to intervene in this docket.

II.

Findings and Conclusions

Based upon our review of the record, the commission finds that Applicant is fit, willing, and able to properly perform the proposed service, and to conform to HRS chapter 271, and the requirements and rules of the commission. The commission also finds that the proposed service will meet the distinct needs of Love's Bakery, Inc., and, pursuant to HRS § 271-13, will be consistent with the public interest and the transportation policy declared in HRS Chapter 271. Accordingly, the commission concludes that Applicant's request for operating authority, as set forth in the application, should be granted.

III.
