DECISION AND ORDER

By this Decision and Order, the commission grants BAKED GOODS DISTRIBUTION, LLC ("Applicant") a permit to operate as a contract carrier of property by motor vehicle over irregular routes on the island of Oahu in the general commodities classification, pursuant to a contract with the Mauna Kea Baking Company, and subject to certain conditions, as described herein.

I.

Application for Contract Carrier Authority

On July 16, 2009, Applicant filed an application requesting a permit to operate as a contract carrier of property by motor vehicle over irregular routes on the island of Oahu in the general commodities classification, pursuant to a contract with the Mauna Kea Baking Company. The application was filed pursuant to Hawaii Revised Statutes ("HRS") § 271-13.

Applicant served copies of the application on the Hawaii Transportation Association, which consists of carriers that may be affected by Applicant's proposed service, and on the

Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate"). The Consumer Advocate did not participate in this proceeding, and no persons moved to intervene in this docket.

II.

Findings and Conclusions

Based upon our review of the record, the commission finds that Applicant is fit, willing, and able to properly perform the proposed service, and to conform to HRS chapter 271, and the requirements and rules of the commission. The commission also finds that the proposed service will meet the distinct needs of the Mauna Kea Baking Company, and, pursuant to HRS § 271-13, will be consistent with the public interest and the transportation policy declared in HRS Chapter 271. Accordingly, the commission concludes that Applicant's request for operating authority, as set forth in the application, should be granted.

III.
