

HAWAII FORECLOSURE INFORMATION CENTER

The Hawaii Foreclosure Information Center was created by the Department of Commerce and Consumer Affairs to provide Hawaii residents with information about foreclosures, mortgages, refinancings, short sales, housing counselors, scams and more. This website will help you find a certified housing counselor that can work with you in your mortgage crisis. While you may find that most people want to help, there are those that prey upon victims during their weakest moments. Log onto www.HFIC.hawaii.gov to learn more about foreclosures and the signs of a mortgage scam to avoid being victimized.
