Discussion on Amendments
To Chapter
16-115, HAR,
& Chapter 464,
HRS: The Committee reviewed the minutes of the July 14, 2011 meeting and discussed the following:

1. Regarding the restoration of license proposals, the Committee recommends adding a provision that the continuing education ("CE") requirements, if applicable, be complied with before a license can be restored.

As proposed, the Committee noted that statutory amendments must first be enacted before the rules can be amended. The Committee requested a new draft be prepared to add the CE requirements.

2. Regarding exam irregularities, the Committee recommends the draft as previously proposed by implementing it as a new §16-115-10.5, Exam irregularities.
3. §16-115-5, the Committee recommends amending the section by requiring that evidence of current licensure be made available upon request instead of the current requirement of displaying evidence of current licensure at the licensee's place of business. The Committee requested that a new draft be prepared by Mr. Kobashigawa.
