Vice Chair Kuriyama presented a certificate of appreciation to Lorene Kimura, former Real Estate Specialist, on behalf of the Commission. He thanked her for her hard work and wished her great success.

Licensing – Ratification: Upon a motion by Commissioner Abrams, seconded by Commissioner Chee, it was voted on and unanimously carried to ratify the attached list.

It was also noted that there were a lot of out-of-state licensees who were applying for a license and the various equivalencies.

Licensing –
Applications:

The EO informed the Commissioners that the information provided to the Commissioners is related only to the issue that is before the Commission for consideration. The other materials submitted are available for the Commissioners review should they desire to review it. If the applicants have an issue which is personal in nature, they have the right to request that their application be considered in executive session.

Steven A. Peykoff

Steven A. Peykoff was present to answer any questions regarding his application for a real estate salesperson's license. Mr. Peykoff was asked if he wished to have his application considered in executive session. He declined the offer.

Mr. Peykoff submitted written testimony on his behalf. He informed the Commissioners that he had made a mistake and he has learned from this. He wants to get on with his life. He submitted character letters from the parents whose children are involved in AYSO. He has done community service and will be an assistant coach with the HYSA in Hawaii. He comes from a large family and has never been in trouble. He graduated from USC, played volleyball as a youth and won a gold medal as a youth in volleyball. He asked that the Commission see past his one mistake. He would like to move forward and get on with his life and career.

Mr. Peykoff currently lives on Oahu and moved here with his family two days after Christmas. He is the owner of a bottled water company but he intends to move away from that to go in to real estate. He sold half of his business and intends to sell the other half.

When asked about his anger management program, Mr. Peykoff said that he attended ten classes once a week with a licensed anger management counselor. He participated in an anger management group in which they discussed how to recognize the signs of anger and how to control and diffuse situations.

He was sentenced to three years of informal probation which ends in 2010. His court date regarding his proof of completion is set for May 31, 2007.

Upon a motion by Commissioner Kuriyama, seconded by Commissioner Loudermilk, it was voted on and unanimously carried to take this matter under advisement.

Andres Sanchez

Andres Sanchez was present to answer any questions the Commissioners may have regarding his application for a real estate salesperson's license. Mr. Sanchez was asked if he wished to have his application considered in executive session. He declined the offer.

Mr. Sanchez was asked to explain why he had not been able to take the court-ordered driver's education course in the time frame that was ordered by the court.

Mr. Sanchez informed the Commissioners that he was from Ecuador and he has been attending Hawaii Pacific University for the last four years. He had to go back and forth to Ecuador during his school breaks. He was scheduled to take the class twice but was unable to attend the class because he had to return to Ecuador due to an emergency.

Mr. Sanchez was cited in 2004 and three years has passed but he has still not completed the course. Mr. Sanchez said that he had tried but had to return home. In December 2005, he went back for 1-1/2 months and again in December 2006.

The court required that Mr. Sanchez complete the course by a certain time but he has not done so. The Commission considers the applicants responsibility to complete the requirements imposed upon them by the government very seriously.

Mr. Sanchez said that he understands the Commissions questions and concerns. The incident that occurred in 2004 was a strong wake up call for him. The way that he handled the situation was not perfect. He had other obligations that he had to fulfill as a student. He got carried away on the professional side. He has been working for a respectable company since his graduation. He believes that he is a professional person. Mr. Sanchez said that he was doing real estate in Ecuador and in Hawaii. He plans to take the course on August 21, 2007.

Mr. Sanchez thanked the Commission for the opportunity to explain his circumstances. He promised that he would complete the course. He said that this was his career that he was building on and it is a step that he needs to take care of. The DUI issue helps him to understand the seriousness of the situation. He cannot afford to not move on and clear his record.

When asked the status of his driver's license, Mr. Sanchez said that his license is active and that he was able to drive even though he has not completed the required course.

Mr. Sanchez was asked if the May 2006 incident was a different incident. He said that it was for an improper safety check and turn at an intersection. He was going to go back to the judge but he decided to just pay the fine. The course was required for the 2004 violation. The 2006 violation was resolved with the payment of a fine. The March 2007 traffic abstract says that it was unresolved. Mr. Sanchez said that he had a court date in April and he cleared up all the tickets. If the Commission wanted it, he could provide the documentation.

Upon a motion by Commissioner Chee, seconded by Commissioner Abrams, it was voted on and unanimously carried to take this matter under advisement.

Ethan A. Shelton

Ethan A. Shelton was asked if he wished to have his restoration application for his real estate salesperson's license considered in executive session. He accepted the offer.

Mr. Swedenborg said that he is currently licensed in California. He was transferred by Marriott and is required to have a real estate license in Hawaii.

Mr. Swedenborg informed the Commissioners that everything has been fine since 1997. Mr. Swedenborg was asked if the State of California had placed any restrictions on his license. He informed the Commissioners that they had not.

Mr. Swedenborg said that he was in college when the incident occurred. He had disclosed the information to the State of California, and they did not place any restrictions on his license.
