BOND REQUIREMENT

Condominium hotel operators are required to obtain a fidelity or employee dishonesty bond which shall protect the condominium hotel operator against fraudulent or dishonest acts by the employees of the condominium hotel operator, and shall cover all employees handling or having custody or control of the condominium hotel operator's or unit owner's funds, or both.

A certification statement of insurance (CSI-01 form enclosed in this packet) or a certificate of insurance, completed and signed by your insurance representative, is required as proof of bond coverage. To avoid delays in processing, **SUBMIT THE PROOF OF BOND WITH YOUR APPLICATION**, or the application will be considered incomplete.

Bond Amount: To calculate the amount of coverage needed, multiply the aggregate number of units in the condominium hotel operation by \$500. The minimum bond amount shall be \$20,000, regardless of the number of units being operated in the condominium hotel and the maximum is \$100,000.

The deductible shall not exceed the greater of \$2,000 or 5% of the face amount of the bond. **In no case shall the deductible be greater than \$5,000.** "Aggregate number of units" excludes:

- 1. Units owned by the condominium hotel operator.
- 2. Units in a registered time share plan managed by a registered time share plan manager.

HRS §467-30 requires the condominium hotel operator to keep a current fidelity or employee dishonesty bond, issued by a company currently authorized by the insurance commissioner of Hawaii to issue insurance in this State, in compliance with the statute and any related rules, which:

- 1. Names the Department of Commerce and Consumer Affairs, Real Estate Branch, as the certificate holder;
- 2. Provides the Department of Commerce and Consumer Affairs with written notification of at least thirty calendar days prior to its cancellation, termination or material change to the CSI;

**BOND
REQUIREMENT
(Cont'd)**

3. Provides coverage for condominium hotel operator activity only;
4. States that the bond is a fidelity or employee dishonesty bond;
5. States the amount of the deductible or that no deductible applies to the bond. The amount of any deductible may not exceed \$2,000 or 5% of the face value of the bond. The deductible may not be greater than \$5,000;
6. Names the condominium hotel operator registrant only as the insured and excludes any other person, trade name, business name or entity as the named insured;
7. States that the policy covers the condominium hotel operator against fraudulent or dishonest acts by the employees of the operator;
8. Includes an expiration date or a statement that the bond is continuous; and
9. Specifies whether the bond is a blanket or name schedule type, and if a name schedule type, lists all persons covered.

A bond must be maintained throughout registration. If at any time the bond expires, is canceled or terminated for any reason, or the registrant fails to provide evidence of continuous bond coverage, the condominium hotel operator registration shall be terminated without notice to the condominium hotel operator. An unregistered operator is without authorization to engage in condominium hotel operator activity. Once unregistered, you will be required to complete new registration application requirements in order to obtain registration.
