

Minimum Qualification Specifications  
for the Classes:

IRRIGATION SYSTEM SERVICE WORKER I and II  
(IRRIGATION SYST SERVICE WKR I and II)

IRRIGATION SYSTEM SUPERVISOR

**Experience Requirement**

Applicants must possess the amount of experience shown in the table below and of the kind and quality described below, or any equivalent combination of training and experience.

Class title	General Experience (years)	Specialized Experience (years)	Supvy Experience (years)	Total (years)
Irrigation Syst Service Wkr I	1	0	0	1
Irrigation Syst Service Wkr II	2	0	0	2
Irrigation Syst Supervisor	2	1	*	3

General Experience: Progressively responsible maintenance work experience which required the application of plumbing, pipefitting, masonry and/or carpentry skills.

Specialized Experience: Progressively responsible work experience in the installation and/or maintenance of water distribution.

Supervisory Experience: \*Applicants must possess supervisory aptitude. Supervisory aptitude is the demonstration of aptitude or potential for the performance of supervisory duties through successful completion of regular or special assignments which involve some supervisory responsibilities or aspects of supervision, e.g., by serving as a group or team leader; or in similar work in which opportunities for demonstrating supervisory capabilities exist; or by the completion of training courses in supervision accompanied by application of supervisory skills in work assignments; and/or by favorable appraisals by a supervisor indicating the possession of supervisory potential.

**Substitutions Allowed**

1. Training at an accredited technical school in the plumbing, pipefitting, masonry or carpentry curriculum may be substituted for General Experience on a year-for-year basis.

2. Excess Specialized Experience may be substituted for General Experience on a month-for-month basis.

**Quality of Experience**

Possession of the required number of years of experience will not in itself be accepted as proof of qualification for a position. The applicant's overall experience must have been of such scope and level of responsibility as to conclusively demonstrate that he/she has the ability to perform the duties of the position for which he/she is being considered.

**Selective Certification**

Specialized knowledge, skills and abilities may be required to perform the duties of some positions. For such positions, Selective Certification Requirements may be established and certification may be restricted to eligibles who possess the pertinent experience and/or training required to perform the duties of the position.

Agencies requesting selective certification must show the connection between the kind of training and/or experience on which they wish to base selective certification and the duties of the position to be filled.

**Tests**

Applicants may be required to qualify on an appropriate examination.

**Physical and Medical Requirements**

Applicants must be able to perform the essential functions of the position effectively and safely, with or without reasonable accommodation.

-----

This is an amendment to the minimum qualification specifications for the classes IRRIGATION SYSTEMS SERVICE WORKER I & II and IRRIGATION SYSTEM SUPERVISOR, which were approved on February 15, 1973.

DATE APPROVED: 10/21/12
