Any person may testify or present information on any meeting agenda item, unless the item involves a proceeding in an existing contested case. In addition, if you have a legal interest that may be adversely affected by the proposed action, you may have a right to an administrative contested case hearing. An oral or written request for a contested case hearing must be made by the close of the public hearing (if one is required) or prior to the vote on the merits at the commission meeting at which the matter is scheduled for disposition (if no public hearing is required). In either situation, the person or agency requesting the contested case hearing must file (or mail and postmark) a written petition with the commission not later than ten days after the close of the public hearing or the commission meeting, whichever is applicable. Petition forms are available from the Commission. Hawaii Administrative Rules (H.A.R.) Section 13-167-52(a).

If you request a contested case hearing, you will have the opportunity to present to the Commission oral or written evidence or testimony or both to establish your standing. You may present your testimony or evidence on standing at the meeting or public hearing described above or, alternatively, at a hearing set by the Commission at a later date.

If you do not make such a request or fail to file a timely written petition with the Commission, the consequence is that you will be precluded from later obtaining a contested case hearing and seeking judicial review of any adverse decision. H.A.R. Chapter 13-167.
