New Water Use: Landscape Irrigation of 9.6 net acres

Place of Water Use: Kaluako'i, Moloka'i at Tax Map Key: 5-1-6:113 & 114

The hearing officer will hear a staff presentation and accept testimony. This testimony and the hearing officer's recommendation will be forwarded to the Commission on Water Resource Management for its decision at a later time. If a contested case hearing is required, it must be orally requested by the close of the hearing and submitted in writing within ten days of the close of the hearing, by a party who would be materially harmed by approval or disapproval of the application. Also, disabled persons planning to attend the public hearing are asked to contact the Commission at 587-0214 to indicate if they have special needs which require accommodation.

COMMISSION ON WATER RESOURCE MANAGEMENT

LINNEL T. NISHIOKA, Deputy Director for
GILBERT S. COLOMA-AGARAN, Chairperson

Dated: April 3, 2002
