

PUBLIC NOTICE

Application for Water Use Permit Kualapuu Ground Water Management Area, Molokai RENOTICE of TIME EXTENSION

The following applications for water use permit were recently published to solicit comments or objections. By agreement of the applicants and order of the Chairperson, the deadline for comment or objection was extended to **March 14, 2016**, in anticipation of the release of a USGS report that may help an understanding of the impacts of these water use permit applications. This time extension by the Commission on Water Resource Management is hereby made public in accordance with Sections 13-171-18, Hawaii Administrative Rules, "Designation and Regulation of Water Management Areas" and 13-167-26, "Continuances, extensions, and computation of time."

Written objections or comments on the above application may be filed by any person who has a property interest in any land within the hydrologic unit of the source of water supply, any person who will be directly and immediately affected by the proposed water use, or any other interested person. Written objections shall: (1) state property or other interest in the matter (provide TMK information); (2) set forth questions of procedure, fact, law, or policy, to which objections are taken; and (3) state all grounds for objections to the proposed permit. Written objections must be received by March 14, 2016. Objections must be sent to 1) the Commission on Water Resource Management, P.O. Box 621, Honolulu, Hawaii 96809 and 2) the applicant at the above address.
