I have seen these people's place and this was the last time they lived at the Fort. The border of the patch was makai, on the north, a road and on the east side a patch section. It is hearsay that (this) was acquired by this person here; however, I do not know the time.

Lot 2 - It was known that Kamakini was a konohiki. His daughter Kalolou was his reason for having lived there. She had received it (land) from Kekauonohi, who had received it from Kalaimoku and Kalaimoku had received his rights from Liholiho. I have not heard of the person who had objected (to him).

Hoolelee sworn:

Property at Kumehame

I have known the time the house was being built and when it was completed Kamakini decided to fence their property again because the fence was close to the house, so as to allow more space on the inside of the enclosure. Kamakini received this land from Kapena who had received it from Lunalilo, and Lunalilo had received the same from the king. (See the opposition of Kaohelo, pp.95-96)

M. Kaanaana's case was postponed until a consultation could be held with Kapu and Paikaulani.

Z. Kaaui sworn:

Wahie's (interest) is from Kahaleohu, then Kahaleohu directed Wahie to bequest for Edwin Miner, but I have not heard any consultation between them (two) (Wahie). When I was living there and working on the lumber for the Wailuku church, I heard Kahaleohu clearly and have seen personally that property. Mahina had planted sugar cane on areas of the land which Kahaleohu had neglected.

Puupahoehoe sworn:

I have known that he had received his land Pilipili, from his father and when the father died, it was left to Wilama's wife in the year 1832. Pilipili was then exchanged with him for Pohakoi. Mine is from Keeaumoku. It is enclosed at this time.

I have seen that land of which his [interest] was from Hoohei. In the year 1840 he received that property named Kuaiwa from Kuhuhilo and when Kuhuhilo died, Kaueeka got it.

page 165

Hoohei had talked to Kekuanaoa, who gave him that land. Then Hoohei worked a plan so that his place would be separated from Palakiko's place.

When we get to Lahaina, Hoohei will be asked about the granting of land at Waikapu to Palakiko. See pg. 194 [Note: translation revised 9/2008]

No. 413 - Nalaipuleho

Kailihiwa sworn:

I have not seen his lands in Wailuku here. He had no land before I had come to live here. The lot outside is the one that I have seen.

It (land) is on that plain at Wailani and I had given it to him in the year 1830. I do not know how big it is and he did build a fence. I did not see him build the house. Plants have been planted there, altho' there are none now. I had given him that place because he wanted it. I do not know the boundaries and no one has objected.

Z. Kaauwai sworn:

I did not hear the conversation between Kailihiwa and Nalaipuleho concerning this place. This is what I have known that Nalaipuleho returned to be compensated for his working days, as Hoapili had set aside payment for teachers in the year 1839. I have heard that he [Nalaipuleho] had acquired that place and it was from Kailihiwa. I had told the konohiki and the parents to fence Nalaipuleho's lot and they did as I had advised them. The konohiki were asked for land at Waiehu and Napohu. The konohiki were the officers during the days work was

page 166

done for it. I do not know how big but I have seen the boundaries which have been fenced except the north [section] close to the lot. I have seen his son do planting there but it is now left idle. The reason I know is because I was the tax assessor at that time. I am the judge on all of East Maui. Those are the things I know and no one has objected to him until the 5th day of Feb. in

Greetings to the Land Commissioners:

I have a kuleana at Waikapu named Koloapelu; Maalaea is the fishery. Keaho gave it to Kauhiohaloa. She was the wahine of Keaho at this time and Kapupuu had it from her. When Kapupuu died in 1832 I was bequeathed the land, the nets, and everything. There are also 9 taro patches on this land, some are leased for fish and some for a pig, and some are really farmed. At Kaapala is one taro patch /and/ a fish pond for my little kaikamahine which I ask to be returned to me.

To the Land Commissioners:

I hereby tell you two of my kuleana at

Waikapu. Here is my testimony as to my right:

The 'ili of Loaloa was mine from Moo, and Moo had it from J. Puupahoe-hoe. Mine is an ancient right from my makuas.

Furthermore, in my own kuleana, of which I am telling, I used my own revenues and I hired /workmen?/ and made two new taro patches for \$15.50. However, an edge of this kuleana was objected to by the konohiki. At this time, there are 51 taro patches remaining as mine.

Furthermore, the place which is objected to, is my kuleana. It has been taken by another man, and therefore I think it should be made mine. The year it was taken was the year of our Lord 1841. My witnesses are Kekua and Kaili. Farewell to you two.

Kaauwai sworn by the Word of God and stated, "I have seen this place, the boundaries of which are the same as those which have just been related here and the same applies to the houses. This is Kekauonohi's old property since his birth; no one has ever objected to him to this day."

The Property at Haliimaile

Kuakini sworn by the Word of God and stated, "I have seen this property, it is in Honolulu here named Haliimaile. Akoni's lot is on the Waikiki side; Chapel Street, mauka; Koimai's place, Ewa and Merchant Street is toward the sea. Kekauonohi became Kahekili's heir at the time of his (Kahekili) death and the property was possessed by him. Kahekili had received it from Kaulahilu. It has been enclosed with two houses within it. I live on this property which is for Kekauonohi and no one else owns it. The land officers have declared this to be very clear; therefore, no further testimony is necessary."

The lot close to Kupa's Property

Kalama sworn by the Word of God and stated, "I have seen this property in Honolulu here. The street going on to Pelekane (Beretania) is on the direction of Waikiki; toward the mountain is Kailimai's property; Ewa, Kupa's lot and Kapahu- page 464 kepau's lot is on the oceanside. This property has been enclosed, it has two houses on the inside and it had been possessed by Kekauonohi in the year 1831. It was an idle land and no other person owns this place."

Namauu sworn by the Word of God and stated, "I have seen this place and everything is the same as Kalama has stated here and no one has ever objected to him."

Property at Pahua

John Ii sworn by the Bible and stated, "I have seen this property, it is here in Honolulu. Laanui's lot is toward the sea; William Makaamo, Ewa; Unauna, toward the mountain and Puawaina St. is on the Waikiki side. This place has a fence with two houses on the inside. This had been Keliiahonui's property and he had lived there probably in the year 1827. No one had objected to him.

Keliiahonui had personally said to give his property to Kuke B.

Kekauonohi had left the property to Ke and was called Kaahumanu.

No. 3201 - W. A. McLane

I admit that I had given this land Kapalaalaea by name to Uilama [William] in the year 1822. One Kapalaalaea is on the northern side; Loaloe, east; Kapuhau, south;

the ditch and the uncultivated land are on the western side. Here is another - I had given a parcel of land named Awakamanu for Uilama in the year 1830.

The lay out (of the land)

Pohakoi is on the north; the road and a pasture, on the east; a portion of Awakamanu on the south and on the west is the side of that property that is for Hooipo, also the ditch.

No. 3202 - Samuel Rice

These interests are on Hawaii; seven ilis* at Kainaliu, a house site and 1 ili are at Kailua.

John Ii sworn by the Word of God and stated, "I have seen this place which is on Hawaii named Honuainoiki. I had heard during the lifetime of Kamehameha that the place had been acquired by him (Rice) and in the year 1843 I had seen the land and house-lot personally. (There are) on the Kau side of Honuaino four (ilis), (I) do not know clearly about the mauka side, on the Kohala side of Honuaino two (ilis) and a beach is on the oceanside. It is my belief that Kamehameha had given this land to him (Rice) because he (Rice) was Kamehameha's blacksmith and no one has ever objected.

The House lot at Kailua

Rice's house-lot at Kailua is named Umi. It has been enclosed and there are houses. The boundaries are shown in the map of

the lot. I believe Kuakini had given him this interest in the year 1829 and since then to this day, no one has objected.

Ili Land at Kailua

"This is hearsay only, for I have not known clearly that Kamehameha had given this land to Rice nor do I know the boundaries or the person who had objected to him."

Kekuanaoa sworn by the Word of God and stated, "I had heard only at the time of Kamehameha that this land was for Rice and he had received it from Poe. I have heard the names of the land. They are true and are the same as mentioned above. I had issued the ili land of Kailua to him by the chief's request. I had not seen the house-lot at Kailua before, only recently I have known the place to be for Rice; however, I do not know the boundaries.

*ili - smaller land subdivisions from the ahupuaa lands; there were 2 kinds of ilis - fixed ownership; the other was subdivisions for the convenience of the chief holding ahupuaa

SUSAN SHANER, STATE ARCHIVIST

To the Land Commissioners: Here is my claim for land in the 'Ili of Keapuohe. It is bounded on the north by the stream, on the east by the lo'is of Kapaweuweu, on the south by a pali, on the west by the 'Ili of Kamaomao. An olonā upland is Kukuiokapopo Two.

Page 105

I am the landlord of the 'Ili under the konohikis from Kawailepolepo until this time of Keahi. There are some lo'is and the house site in the 'Ili of Maniania which was ours from ancient times. That is my claim for land.

KAUAKIIWAI

To the Land Commissioners: Be it known to you all that my claim for land is at Kanahena in Honuaula, Maui. My land areas in the Ahupua'a of Kanahena in Honuaula are: Makanane, Alenuihaha, Holealea, Pinao, Kumukahi -- this is my claim in the 'Ili of Kanahena. They were given by Kapahi, the konohiki under Kipa, wahine of Kalohi. Furthermore, there are some hala clumps and cultivated places in the 'Ili of Maniania in Moomuku, one cultivated mo'o in the 'Ili of Mahana in Kalihi, and the small scattered potato plantings which were given me by the landlords of the 'Ili. Also our house lot which we occupy.

KAINA

To the Land Commissioners: Here is my claim in the 'Ili of Halekou in Wailuku, Maui. It is bounded on the north by a pali, on the east by a valley, on the south by the stream and the valley, on the west by a lo'i hakuone and the olonā upland. It was given by Keawehano in 1840.

Wailuku, Dec. 31, 1847

KUAHINE

To the Land Commissioners of the Hawaiian Islands, Greetings: I hereby state my claim for land in Palama in Waikapu, Island of Maui. I have a mo'o there with 21 lo'i also a kula. It is bounded on the north by Kapuhau, on the east by Haliipalala, on the south by the stream, on the west by Ohia. Also, I have five lo'i at Loaloe, bounded on the north by Kapalaalaea, on the east by Kukuialaimaka, on the south by Haliipalala, on the west by Palama.

My house lot is at Kapuhau. Its length is 15 and its width is ten. My right at Palama is that Kaoao was the konohiki who gave it to the kupunakane of my wahine. When the kupunakane died it was bequeathed to his keiki, who was the makuakane of my wahine. On the recent death of my wahine, it was inherited by me.

My claim at Loaloe was from Puupahoe, the konohiki. Noi was the house dweller, he was the makuakane of my wahine, and he

gave these five lo'i to my wahine, and since her death they are in my possession. My house site at Kapuhau is an ancient right from the makuas of my wahine, but it was crowded

on the lower side by the konohiki, on account of the death of my wahine. I thought of fencing it as in the dimensions mentioned above, and they thought they would evict me entirely, however, I appealed to Puupahoehoe, the konohiki of this place, and he consented that I have the size of lot I spoke of, 15 long by 10 wide.

No. 3539 - Kapule Waikapu, Maui, Jan. 10, 1848

To the Land Commissioners of the Hawaiian Islands, Greetings: I hereby state my claim for land at Palama in Waikapu, Island of Maui. There I have a mo'o with 48 lo'i in it, also a kula together with this mo'o, also a house site. The boundaries are: on the north, Ohia, on the east, Kapuhau, on the south, Palama, on the west, Ohia, also.

I have another mo'o at Haanui in Waikapu, Island of Maui, with 48 lo'i, bounded on the north by Ohia, on the east by Pohakuloa, on the south by Kukuialaimaka, on the west by Kapalaalaea. The mo'o at Palama was a right from my makuas. Kaoao was the konohiki, Kaula was the house dweller, and gave my makuas that mo'o. When my makuas died it was bequeathed to me, their keiki, and I have continued in possession until this time. My mo'o at Haanui was given to Pahili by Puupahoehoe, the konohiki; on the death

Page 108

of Pahili it was given to his keiki, Kalua. His kaikuahine and kaikoeke, and his makuas were the house dwellers under him. They died, except the kaikuahine, who inherited the land. She was the kupuna wahine, under her the mo'o /was possessed by/ her kai-kamahine, who was my makuahine. I, her keiki, inherited it. A respectful farewell.

KAPULE

No. 3542 - Kalua January 13, 1848

Hear ye, ye Land Commissioners: Here is my claim for lo'is and a dry kula. My 18 lo'i were received from Kahehuna. This is the 8th year I have had them. One land was from the Mo'i, in the division of lands. However, perhaps it is not absolutely clear, a paper was not received from the Mo'i -- it was only divided by the Minister. This claim is because of the encouragement by the Elele. There is also a house lot at Lahaina, which was from the Mo'i.
Respectfully,

KALUA

To the Land Commissioners, Greetings: I hereby petition you for my land. It is in the land of Honokohau. I have 3 mo'o. There are three lo'is in another place. That is it, for your information.

KEAWEIKI

Greetings to the Land Commissioners in the Hawaiian Kingdom. I hereby petition to enter my claims.

There is a house lot, three lo'i, in the ahupua'a of Polapola on the island of Maui, in Lahaina. One lot is 16 long by 12 wide, in fathoms. I received these claims in 1838, from Kekauonohi and have held them peacefully with no opposition until the present. Lahaina, Maui

KULOLOHI

Greetings to you. I, Kaawaiki, hereby state my claim for lo'is.

Page 328

There are 15 lo'i and a kula, at Puahia, lying as follows: on the north is the lo'i of Malie, on the east is the lo'i of Maui and the watercourse, on the south is the flowing stream, on the west is Puukulilili's mo'o.

I received my right from Pikao, to my mo'o and my house site and no one has disputed Kawaaiki. Olowalu, 28 Jan. 1848

KAWAAIKI

Greetings to you, the Esteemed Kaauwai: I hereby state to you my claim for land. I have a land claim at Hawaiikekee, with fourteen lo'i, that is the claim, or not. Farewell and the peace of God be with you.

KEAKAIKAWAI

To the Land Commissioners: I hereby state my claim for land in the 'ili of Ohia. It was from Kahuhu, who is dead, leaving his wahine, Puhipuhi. It was they who gave me this land, that is how I received it. From Kahuhu were 16 lo'i, also, from Kamai I received 5 lo'i. I received 10 lo'i from Kuheleloa. I received these claims at the time when Kaauwai was officiating on Maui.

Some lo'is were from my foster father, Punipaa. He died in 1847 and bequeathed his lo'is

to his mo'opuna, my own daughter. There are a total of 16 lo'i, also some dry land, and a hala grove is another claim of mine. All these claims are at Ohia, and are bounded on the north by Ohia itself, on the south by a flowing stream and a flowing stream is also on the west -- this is Ohia and Olohe. This is finished.

Furthermore, there is 1 lo'i at Palama, only for the time the land is cultivated* and there is also a house site there. It is bounded as follows: on the north is Kapupuhau, on the east is Kapuhau and Palama, on the west is Palama and the dry streambed.

Here is another claim: one dry lo'i loaloe**, received from Luukapu, bounded on the north by Kapalaalaea and Loaloe, on the east and south by Loaloe, on the west by Kapalaalaea. Those are my claims.

No. 5757 - Kamakahiki

To the Land Commissioners, Greetings: I, the one whose name is below, hereby state my claim to you.

There are some lo'is at Olowalu

Page 330

on the Island of Maui, in the 'Ili named Kaumukahi, 12 lo'i. One is at Hawaiiikeke, one is at Kamani, one is at Wailoa, there are two other mo'o, and the two enclosures within the land, and makai also is one enclosure.

Furthermore, there is the place of my makuahine. She has no kane, and I, the keiki, am the one who assists her. There are 29 lo'i?; they are very small and include her house claim. Her claim is known of by Commissioner Kaauwai, but it has been enclosed by fence by the new people. The new people occupied it long after 1843, whereas the length of my makuahine's occupancy was from 1830. These are the explanations to the Commissioners in whom the Mo'i has placed his power.
