ATTACHMENT TO OFFICE OF HAWAIIAN AFFAIRS' AND HUI O NĀ WAI 'EHĀ'S AND MAUI TOMORROW FOUNDATION, INC.'S OBJECTIONS TO APPURTENANT RIGHTS CLAIMS OF HAWAIIAN COMMERCIAL AND SUGAR COMPANY (2205) RE TMK NO. (2) 3-6-02:003

Explain your legal or material interest in objecting to this appurtenant rights claim.

Office of Hawaiian Affairs (“OHA”), Hui o Nā Wai ‘Ehā (“Hui”) and Maui Tomorrow Foundation, Inc. (“Maui Tomorrow”, and together with Hui, the “Community Groups”) are parties with legally established due process interests and standing in ongoing proceedings regarding the waters of Nā Wai ‘Ehā, Waihe‘e River and Waiehu, ‘Īao, & Waikapū Streams. OHA is statutorily and constitutionally mandated to protect the cultural and natural resources of Hawai‘i for its beneficiaries – native Hawaiians and Hawaiians. Haw. Rev. Stat. §§ 10-3(3), (5); Haw. Const. art. XI, § 1; Haw. Const. art. XII, § 2. The Hui is a community-based organization that was formed to protect and restore Nā Wai ‘Ehā’s water resources and the practices that depend on them, including traditional and customary Native Hawaiian practices. Maui Tomorrow, a community based-organization with over 1,000 supporters, is dedicated to protecting Maui’s natural and cultural resources, promoting principles of ecologically sound development, and preserving rural lifestyles on Maui.

OHA beneficiaries, and the Community Groups’ members and supporters, rely on, use, or seek to use surface water from the Nā Wai ‘Ehā surface water management areas and their nearshore marine waters for purposes including but not limited to fishing and gathering, agriculture, aquaculture, research, education, recreation, artistic activities, aesthetic enjoyment, spiritual observance, and traditional and customary Native Hawaiian practices. OHA beneficiaries and the Community Groups’ members and supporters own and reside on land along each of the streams within the Nā Wai ‘Ehā surface water management areas and hold appurtenant, traditional and customary, and public trust rights to Nā Wai ‘Ehā surface water. In sum, OHA and its beneficiaries and the Community Groups and their members and supporters have legally protected rights and interests in Nā Wai ‘Ehā surface water, which are legally and materially affected by and adverse with the claims of appurtenant rights at issue. At the Commission’s request, OHA and the Community Groups can provide further information regarding their rights and interests in this matter.

Summarize carefully your objection and how approval of this Application would adversely affect your legal interests.

OHA and the Community Groups object that the documentation submitted in support of the application fails to establish any cultivation or water use at the time of the Māhele on the vast bulk of what is now TMK No. (2) 3-6-02:003. No cultivation or water use is established for Grant 2747 to Eugene Bal or Grant 3152 to Henry Cornwell, which account for all but 38 acres of the 621.4-acre Property. *See Peck v. Bailey*, 8 Haw. 658, 661 (1867) (maintaining that absent “immemorial usage” of water, land grants “certainly could take nothing by having been a portion of the Ahupuaa”).

The Community Groups and OHA reserve the right to raise further objections if the objections above are not sufficient to refute the application’s appurtenant rights claims.

Approval of this application would adversely affect the rights and interests of OHA and its beneficiaries and the Community Groups and their members and supporters in Nā Wai ‘Ehā surface water because it would erroneously recognize priority claims of appurtenant rights to such water without legal and factual basis and contrary to established law, to the prejudice of the opposing rights and interests of OHA and its beneficiaries and the Community Groups and their members and supporters.
