Re: Clayton Suzuki, Linda Kadosaki, Reed Suzuki and Scott Suzuki File No.  
2155 response to objections of Department of Water Supply, County of Maui to  
SWUPA-E no. 2207

Dear Chairperson Thielen and Deputy Director Kawahara;

On May 26, 2009, Deputy Corporation Counsel Jane E. Lovell on behalf of the Department of Water Supply County of Maui filed an objection to the above-referenced Surface Water Use Permit Application ("SWUPA") of Clayton Suzuki, Linda Kadosaki, Reed Suzuki and Scott Suzuki which was given the file number SWUPA-E 2155 ("SWUPA 2155") Pursuant to HAR. '13-171-18c, On behalf of the applicants, I hereby file and serve this response to the objections.

The Commission's rules require that competing existing use applications which in the aggregate exceed the established instream flow standards shall be addressed in a hearing to determine the quantity of water that may be consumed and the conditions to be imposed on each existing use. HAR. "13-171-14". Whether this Commission must hold a combined hearing only can be determined after the amended IIFS are established. As such, it is premature for this Commission to act on any of the SWUPA's for the Na Wai Eha surface water management area and the objection based on a request to consider all competing applications together and in relation to one another is likewise premature.

Respectfully,

Clayton Suzuki

For himself, Linda Kadosaki,  
Reed Suzuki and Scott Suzuki.
