SUBCHAPTER 1

SCOPE AND DEFINITIONS

Historical note. This chapter is based on general provisions, definitions, and determination of residency of the small boat harbors rules, effective November 5, 1981, and as amended thereafter, under the jurisdiction of the Department of Transportation, Harbors Division. The administrative jurisdiction for recreational boating and related vessel activities was transferred to the Department of Land and Natural Resources, Division of Boating and Ocean Recreation, effective July 1, 1992, in accordance with Act 272, SLH 1991. [Eff 2/24/94; comp **DEC 07 2013**]

§13-230-1 Purpose and scope. The purpose of these rules is to secure the most effective control and management of the small boat harbors and facilities of the State in order that the general public may enjoy safe, orderly, and convenient water recreation. These rules are intended to harmonize and coordinate the department's powers and duties with all applicable public laws, and are also intended to govern the use or operation of vessels and the activities of persons in the small boat harbors, shores, ocean waters, and navigable streams of the State. [Eff 2/24/94; comp **DEC 07 2013**] (Auth: HRS §§200-2, 200-4) (Imp: HRS §§200-2, 200-4)

§13-230-2 Interpretation. If any section of these rules is inconsistent with any laws of the United States or any rule, or standard established pursuant thereto, such section shall be construed,

superseded, or governed thereby. Nothing contained in these rules shall be construed to limit the powers of any state department or agency. Each provision of these rules is also intended to be construed most liberally in light of the purpose stated in section 13-230-1. [Eff 2/24/94; comp **DEC 07 2013**] (Auth: HRS §§200-2, 200-4) (Imp: HRS §§200-2, 200-4)

§13-230-3 Severability. The provisions of these rules are declared to be severable and if any portion or the application thereof to any person or property is held invalid for any reason, the validity of the remainder of these rules or the application of such remainder to other persons or property shall not be affected. [Eff 2/24/94; comp **DEC 07 2013**] (Auth: HRS §§200-2, 200-4) (Imp: HRS §§200-2, 200-4)

§13-230-4 Penalties and prosecution. (a) Violation of rules, penalty. Any vessel, its agent, owner, or crew that violates the rules of the department, including vehicular parking or traffic movement and unauthorized discharge, dumping, or abandoning of any petroleum product, hazardous material, or sewage in violation of the state water quality standards established by the department of health, shall be fined or deprived of the privilege of operating or mooring any vessel in state waters for a period of not more than thirty days, in accordance with section 200-14, Hawaii Revised Statutes.

(b) General administrative penalties. Except as otherwise provided by law, the board is authorized to set, charge, and collect administrative fines and to recover administrative fees and costs, including attorney's fees and costs, or bring legal action to recover administrative fines and fees and costs, including attorney's fees and costs, or payment for damages or for the cost to correct damages resulting from a violation of subtitle 8 of title 12 or any rule adopted thereunder in accordance with section 200-14.5, Hawaii Revised Statutes. Each day or instance of violation shall constitute a separate offense.

[Eff 2/24/94; am and comp DEC 07 2013] (Auth: HRS §§200-2, 200-3, 200-4, 200-14, 200-14.5) (Imp: HRS §§200-2, 200-3, 200-4, 200-14, 200-14.5)

§13-230-5 Judicial review. Nothing contained in these rules shall be construed to preclude appropriate resort to judicial remedy or review. [Eff 2/24/94; comp] (Auth: HRS §§200-2, 200-4) (Imp: HRS §§200-2, 200-4)

§13-230-6 Notice. Where notice to a permittee, co-owner, lien holder, owner or any other party is required by this chapter the department shall effect service by one of the following:

- (1) Posting the notice in a conspicuous place aboard the permittee's vessel or at the assigned berth;
- (2) Mailing the notice to the person by certified mail, return receipt requested, at the person's last known address, provided that service by mail is deemed received and completed five days after the date of mailing; or
- (3) Personal service;

provided that in an emergency, where life or property is endangered or if a vessel may interfere with other vessels, construction or maintenance of berthing facilities, or with the free and proper navigation of a waterway unless immediate action is taken, remedial action may be taken by the department without prior notice. [Eff 2/24/94; comp DEC 07 2013] (Auth: HRS §§200-2, 200-4, 200-9, 200-10) (Imp: HRS §§200-2, 200-4, 200-9, 200-10)

§13-230-7 Tampering with, defacing or removing notices. No person shall tamper with, deface, or remove any notice posted by the department pursuant to section 13-230-6 except the owner of the vessel or the permittee assigned to the berth. [Eff 2/24/94; comp

§§13-230-9 to 13-230-19 (Reserved)

SUBCHAPTER 2

DETERMINATION OF RESIDENCY

§13-230-20 Purpose. The purpose of this subchapter is to provide a procedure whereby a determination of residence status shall be made for all persons who own a vessel moored in a state small boat harbor or who apply for such moorage to assure that they are assessed the proper fees and charges as established by these rules; to provide appeals mechanism for those persons who believe their residency classification is in error; and to provide sanctions for misrepresentation by a petitioner. [Eff 2/24/94; comp DEC 07 2013] (Auth: HRS §§200-2, 200-4, 200-10) (Imp: HRS §§200-2, 200-4, 200-10)

§13-230-21 Definitions. For the purpose of this subchapter:

"Adult" means a person who has reached majority.

"Dependent" means those persons who are defined as dependents by law, e.g., a spouse or minor child, or who are defined as dependents under Internal Revenue Service regulations or by the Armed Forces of the United States.

"Guardian" means a person invested by a court of law with the power, and charged with the duty, of taking care of the person and of managing the property of that person.

"Hanai" means a child who is taken permanently to be reared, educated, and loved by someone other than natural parents - traditionally a grandparent or other relative. The child is given outright; natural parents renounce all claims to the child. Usually the child is given at infancy.

"Hearing officer" means a person appointed by the chairperson to hear appeals concerning the determination of residency status.

"Majority" means the age specified under section 577-1, Hawaii Revised Statutes.

"Minor" means a person who has not reached majority.

"Nonresident" means a person who is not a resident of the State of Hawaii.

"Parent" includes legal guardian and legal adoptive parent, except where the guardianship or adoption was acquired primarily to obtain resident status for the ward or adopted child. It shall also include a person who can legally claim an unmarried minor as a dependent for federal income tax purposes, but only when such person has been in loco parentis to the minor for the twelve-month period immediately preceding the residence determination date.

"Residence" or "residence status" is a combination of physical presence in a place and the intent to make such place one's permanent home.

"Residency determination date" means:

- (1) The date a person applies for a use permit or for application renewal;
- (2) The date of issuance or renewal of a use permit;
- (3) The date the department makes a residency status determination following the receipt of a completed questionnaire submitted by a person classified as a nonresident pursuant to the provisions of section 13-230-27; or
- (4) The date of a hearing officer's decision on a petition submitted to the department as prescribed in section 13-230-28.

[Eff 2/24/94; am 8/8/11; am and comp DEC 07 2013]
(Auth: HRS §§200-2, 200-4, 200-10) (Imp: HRS §§200-2, 200-4, 200-10)

§13-230-22 Twelve-month rule. (a) Status as a Hawaii resident must be acquired, and not subsequently lost at least twelve months prior to the residence determination date to avoid payment of the nonresidence fee differential prescribed in section 200-34 Hawaii Revised Statutes. This twelve-month

rule also applies to the person whose residency is determined by the fact of residency of another.

(b) While residency shall be lost if it is interrupted during the twelve months immediately preceding the residence determination date, resident status derived from two or more successive periods of domicile in Hawaii may be joined together to compute the twelve-month period. [Eff 2/24/94; am and comp

DEC 07 2013] (Auth: HRS §§200-2, 200-4, 200-10) (Imp: HRS §§200-2, 200-4, 200-10)

§13-230-23 Indications of residence. Because determination of residence in Hawaii requires a finding of subjective fact (intent to make a permanent home) as well as of objective fact (and physical presence), the following objective indications of a person's intent will be considered when determining the person's status. No single index is decisive.

- (1) Primary indications.
 - (A) Voter registration in Hawaii.
 - (B) Voting in Hawaii.
 - (C) Possession and use of Hawaii motor vehicle license plates.
 - (D) Payment of Hawaii personal income tax.
 - (E) Presence of spouse, children, and other close relatives in Hawaii.
- (2) Secondary indications.
 - (A) Membership in voluntary organizations in Hawaii.
 - (B) Licensing from the State for professional practice.
 - (C) Carrying on of a business or the holding of a position in Hawaii.
 - (D) Ownership of residential property or continuous letting of an apartment on a lease basis in Hawaii. [Eff 2/24/94; comp **DEC 07 2013**] (Auth: HRS §§200-2, 200-4, 200-10) (Imp: HRS §§200-2, 200-4, 200-10)

§13-230-24 Rules of construction. The following rules of construction shall be applied in all cases:

- (1) Residence in Hawaii and residence in another place cannot be held simultaneously.
- (2) Presence in Hawaii primarily to attend an institution of higher learning does not create resident status.
- (3) Resident status, once acquired, will be lost by future voluntary actions of the resident inconsistent with such status. However, Hawaii residence will not be lost solely because of absence from the State while employed in the service of the United States, while engaged in navigation, or while a student at any institution of learning. [Eff 2/24/94; comp DEC 07 2013]
(Auth: HRS §§200-2, 200-4, 200-10) (Imp: HRS §§200-2, 200-4, 200-10)

§13-230-25 Particular categories. (a) Adults. The resident status of every adult shall be established by the adult's own acts and intentions and shall not be derived from any other person, except as specifically provided otherwise in these rules.

(b) Minors.

- (1) Unemancipated minor. The residence of an unemancipated minor is the residence of the minor's father, if living, or the residence of the minor's mother, if the father is deceased.
- (2) Divorced parents. If the parents of an unemancipated minor are divorced, the minor's residence is that of the person to whom the minor's custody has been awarded by the court. If no award of custody has been made, the minor's residence is that of the father. However, if the minor maintains the minor's primary abode with the parent not having legal custody, residence of the minor is determined by that parent with whom the minor's primary abode is maintained.

- (3) Separated parents. If the parents of an unemancipated minor are separated, without a divorce having been granted or custody award having been made, the minor's residence is that of the father if the minor is not living with either parent. If the minor maintains primary abode with a parent, the minor's residence is the residence of that parent.
- (4) Death of a parent who had custody. The residence of an unemancipated minor becomes that of the surviving parent upon the death of the parent who had the minor's custody.
- (5) Both parents deceased. If both parents are deceased, the residence of the unemancipated minor remains that of the last parent to die until changed by court order. Upon court appointment of a guardian for the minor, the residence of the minor becomes that of the guardian.
- (6) A nonresident unemancipated minor attending an institution of higher learning outside of Hawaii or on active duty with the United States Armed Forces, whose parents become residents of Hawaii, and who would reach majority before deriving Hawaiian residence from the minor's parents' new status, may be classified as a resident for fee purposes when the minor's parents have completed twelve consecutive months of residence; provided that such classification will be lost if actions inconsistent with resident status are taken after leaving such institution or discharge from the military (e.g., failure to promptly make a home in Hawaii).
- (7) If an unemancipated minor's parents lose their Hawaii residence, the minor will be classified as a nonresident at the next residence determination date. However, if the parents' change of residence is due to obedience to active-duty military orders, the minor shall continue to pay only

resident fees and charges as long as one of the minor's parents remain on active duty and in a Hawaii resident status.

- (8) Emancipated minors. An emancipated minor shall be considered an adult for purposes of residence hereunder. The following shall constitute indications of emancipation, no one of which is controlling:
- (A) Financially independent or self-supporting.
 - (B) Subsistence not provided by parent or legal guardian.
 - (C) Prior military service.
 - (D) Other primary and secondary indications of residence enumerated under section 13-230-24.
 - (E) Any other conduct inconsistent with parental control and custody.
- (9) Hanai. A person may base the person's residency on that of other than the parent or legal guardian, provided that the relationship between the person and the person or persons other than the parent or legal guardian is that of "hanai".

(c) Aliens. In addition to all other requirements herein, an alien shall be classified as a resident only upon the alien's admission to the United States for permanent residence (immigration visa). Residence of a minor alien can only be derived from another person (e.g., a parent) when both that person and the minor achieve resident status.

(d) Military personnel. Service in the armed forces of the United States shall not of itself negate establishment of residence in Hawaii. For instance, a nonresident member of the United States Armed Forces whose last duty station is in Hawaii and who does all other things necessary to establish a bona fide Hawaiian domicile, including discharge from the military in Hawaii, may be classified as a resident. In addition, a person who establishes a Hawaiian domicile but who enters the military service prior to the expiration of twelve months from the date of such establishment may add the period of the person's

military service on to the former period to satisfy the twelve-month rule.

(e) Married persons and persons in other legal relationships. A married person or reciprocal beneficiary or civil union partner may establish resident status, either on the basis of indications of residence, or on the basis of the indications of residence of the person's spouse. However, the person must clearly state intent to make Hawaii the person's permanent residence. For purposes of the liveaboard fee, the person holding a principal habitation permit may rely on the residency indications of a personal partner who lives on board the vessel. [Eff 2/24/94; am and comp **DEC 07 2013**] (Auth: HRS §§200-2, 200-4, 200-10) (Imp: HRS §§200-2, 200-4, 200-10)

§13-230-26 Determination of residence procedure.

(a) These rules establish a fee structure in which nonstate residents in specified instances shall pay an application and permit fee differential. Therefore, any person seeking to be classified as a Hawaii resident for fee purposes shall, at the time of application for or prior to being issued a permit, complete and submit to the department a questionnaire provided by the department designed to elicit facts which will aid the department in determining the applicant's resident, nonresident, or Armed Forces status. The applicant shall answer all pertinent questions and shall attest to the truth of the answers with the applicant's signature. The department may also require the applicant to produce certified copies of documents or other relevant proof as may be necessary for the determination of residency status.

(b) A nonresident who believes that the nonresident's residency status has changed so that the nonresident has achieved Hawaii residency status may seek reclassification as a resident by submitting a completed questionnaire as prescribed in subsection (a) on or following the date the nonresident believes that the change in residency status occurred. [Eff 2/24/94; comp **DEC 07 2013**] (Auth: HRS §§200-2, 200-4, 200-10) (Imp: HRS §§200-2, 200-4, 200-10)

§13-230-27 Permittee required to report change of residence. A resident permittee who subsequently takes up residence outside of the State and continues to moor the permittee's vessel in a state small boat harbor shall advise the department in writing within seven days of the permittee's change of residence. In such a case, nonresident fees and charges shall be payable following the change of residence. A permittee who intends to assume residence outside of the state or relocate to another island yet retain a permitted vessel and assigned mooring shall cause all applicable harbor use permits to be revised to identify the individual that agrees to assume the vessel owner's obligations under the use permit and these rules during the period of the permittee's absence. This individual shall reside on the same island that the vessel is moored. [Eff 2/24/1994; am and comp **DEC 07 2013**] (Auth: HRS §§200-2, 200-4, 200-10, 200-22, 200-24) (Imp: HRS §§200-4, 200-10, 200-22, 200-24)
