CHAPTER 343, HRS - ENVIRONMENTAL ASSESSMENT REQUIREMENT:

The subject parcel was transferred to the State of Hawaii, Department of Transportation in compliance with Section 120(h) of the Comprehensive Environmental Response, compensation, and Liability Act (Title 42 of the United States Code, Section 9620[h]). In addition, the Department of Defense, United States Department of the Navy executed, (1) a Finding of Suitability to Transfer (FOST) for Parcels 13061-C and 13073-A, dated September 10, 2003, and (2) on March 1, 2010, executed a FOST Addendum for the Parcels.

Prior to the commencement of any construction work on the subject parcel, the HIANG shall provide or submit to the State of Hawaii, Department of Transportation, Airports Division (DOTA) a Final Environmental Assessment or Final Environmental Impact Statement or other appropriate environmental report, as required by STATE or another governmental agency. The required assessment, statement, or report shall be prepared by HIANG and processed through appropriate governmental agencies, including the State of Hawaii, Department of Health, for STATE's final written approval.

REMARKS:

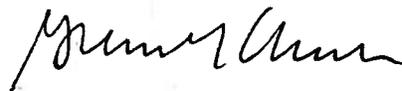

The DOTA proposes to issue a direct lease to HIANG for the purpose of developing, constructing, operating, and maintaining land adjacent to the Kalaeloa Airport for its proposed Radar Training Facility, in accordance with Section 171-59 (b), Hawaii Revised Statutes, which provides in part, “disposition of public lands for airline, aircraft, airport-related, agricultural processing, cattle feed production, aquaculture, marine, maritime, and maritime-related operations may be directly negotiated without regard to the limitations set forth in subsection (a) and Section 171-16(c); provided that the disposition encourages competition within the aeronautical, airport-related, agricultural, marine, maritime, and maritime-related operations;” And further provides that “‘Airport-related’ means a purpose or activity that requires air transportation to achieve that purpose or activity; or an activity that generates revenue for the airport system as provided in Section 261-7.”

In accordance to HRS 171-59(b) the DOTA does not have an objection to this lease request and finds the issuance of the lease an airport related purpose and in the public interest.

RECOMMENDATION:

That the Board authorize the Department of Transportation to issue a direct lease to the HIANG, subject to: (1) terms and conditions herein outlined, which are by reference incorporated herein; (2) such other terms and conditions as may be prescribed by the Director of Transportation to best serve the interests of the State; and (3) review and approval of the Department of the Attorney General as to the lease form and content.

Respectfully submitted,

GLENN M. OKIMOTO, Ph.D.
Director of Transportation
