REMARKS:

Keauhou Volleyball Association is requesting a right-of-entry permit for a Dinosaur Beach Volleyball Tournament. The tournament is scheduled for February 14-16, 2014 from 9:00 am to 5:00 pm. Set-up will be at 8:00 am and breakdown by 6:00 pm.

Pursuant to the Board's action of June 14, 2013, Item D-11, staff brings the request to the Board for approval. Keauhou Volleyball Association has in the past held the Dinosaur Beach Volleyball Tournament on the Big Island of Hawaii at Keauhou Bay, Kailua-Kona, and the Kohala Coast; the island of Maui at Kanaha Beach; and on Oahu at the Outrigger Canoe Club. There is no entrance fee and the event is always open to the public. Keauhou

Volleyball Association states that no commercial activities will occur on State lands in connection with the event, and therefore requests that the right-of-entry permit be issued to it at no charge.

Applicant has not had a lease, permit, easement or other disposition of State lands terminated within the past five years due to non-compliance with such terms and conditions.

The proposed activity is of a similar type and scope of beach activities that routinely occurred and continue to occur on this and other beach areas across the State. Such activities have resulted in no known significant impacts, whether immediate or cumulative, to the natural, environmental and/or cultural resources in the area. As such, staff believes that the proposed event would involve negligible or no expansion or change in use of the subject area beyond that previously existing, and therefore has no objection to the request.

Comments were solicited from:

State Agencies:

DOH	No environmental health concerns
Historic Preservation	No historic properties will be affected
OCCL	No objections
OHA	No response by suspense date

County Agencies

County Planning	No response by suspense date
Parks & Recreation	No response by suspense date

Others

Kauai Marriott Resort	Approval of tournament

RECOMMENDATION: That the Board

1. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200, HAR, this project will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.
2. Authorize the issuance of a right-of-entry permit to Keauhou Volleyball Association covering the subject area for Dinosaur Beach Volleyball Tournament purposes under the terms and conditions cited above, which are by this reference incorporated herein and further subject to the following:

- A. The standard terms and conditions of the most current right-of-entry permit form, as may be amended from time to time;
- B. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.

Respectfully Submitted,

Marvin Mikasa

Land Agent

EXEMPTION NOTIFICATION

regarding the preparation of an environmental assessment pursuant to Chapter 343, HRS and Chapter 11-200, HAR

Project Title: Issuance of Right-of-Entry Permit to Keauhou Volleyball Association for Dinosaur Beach Volleyball Tournament.

Project / Reference No.: 13KD-170

Project Location: Kalapaki Beach, Lihue Kauai, Tax Map Key: (4) 3-5-02: seaward of 02.

Project Description: Beach Volleyball Tournament

Chap. 343 Trigger(s): Use of State Unencumbered Land

Exemption Class No.: In accordance with Hawaii Administrative Rule, Section 11-200-8(a)(1)(4) and the Exemption List for the Department of Land and Natural Resources approved by the Environmental Council and dated December 4, 1991, the subject request is exempt from the preparation of an environmental assessment pursuant to Exemption Class No.1, that states "Operations, repairs or maintenance of existing structures, facilities, equipment or topographical features, involving negligible or no expansion or change of use beyond that previously existing" and Class No.4, that states "Minor alteration in the conditions of land, water, or vegetation".

The proposed activity has historically and routinely occurred and continues to occur on this and other beach areas across the State. Such activities have resulted in no known significant impact, whether immediate or cumulative, to the natural, environmental and/or cultural resources in the area. As such staff believes that the proposed event use would involve negligible or no expansion or change in use of the subject area beyond that previously existing.

EXHIBIT B

Consulted Parties:

Office of Conservation and Coastal Lands (OCCL)

Recommendation:

It is recommended that the Board find that this request will probably have minimal or no significant effect on the environment and is presumed to be exempt from the preparation of an environmental assessment.
