CONSIDERATION:

Gratis.

REMARKS:

At its meeting held March 28, 2014, Agenda Item M-1, the Board of Land and Natural Resources approved the issuance of a ninety (90) day Right-of-Entry to Install Construction Barricades, Provide Access Routes for Forklifts, Roll-off Trucks and Other Equipment for Debris Removal and Hauling and Pedestrian Access to the Aloha Tower Market Place Related to the Demolition of the 2nd Floor. Only the demolition phase was approved pending the completion of the Environmental Assessment,

As noted above, the Final Environmental Assessment for the Hawaii Pacific University – Aloha Tower Marketplace Project was published in OEQC's Environmental Notice on May 23, 2014, with a finding of no significant impact (FONSI). Therefore, this request is for issuance of a new Right-of-Entry to the Applicants for Additional Demolition and the Construction of the Improvements at the Aloha Tower Marketplace.

During this phase of their project, at least four (4) tenants (Gordon Biersch, Hooters, Star of Honolulu, and HPU Staff Offices) will remain in operation in the Aloha Tower Marketplace. Barricades have been erected around the Aloha Tower Marketplace so that all pedestrians can access the open businesses only by traversing along Pier 8.

RECOMMENDATION:

That the Board, authorize the issuance of a right-of-entry permit to HPU, HLRP and Swinerton Builders covering the subject area under the terms and conditions cited above, which are by this reference incorporated herein and further subject to the following:

1. The standard terms and conditions of the most current right-of-entry permit form, as may be amended from time to time;
2. Applicant shall obtain the prior approval of the Aloha Tower Development Corporation for any construction and additional demolition plans on the premises comprising the Aloha Tower Marketplace;
3. Applicant shall obtain the review and approval of the Department of Transportation, Harbors Division, prior to the commencement of any additional demolition and construction work, on HPU's ingress and egress plans for vehicles and equipment to ensure that such movements are conducted on harbor piers in a safe manner and will not damage state piers; that construction of improvements will not impact utilities serving the harbor and/or harbor operational activities and that HPU's demolition and construction activities comply with MS4 (municipal separate storm sewer system) requirements.

4. Review and approval by the Department of the Attorney General; and
5. Such other terms and conditions as may be prescribed by the Director of Transportation to best serve the interests of the State.

Respectfully Submitted,

FORD N. FUCHIGAMI
Interim Director of Transportation
