In accordance with the "Division of Land Management's Environmental Impact Statement Exemption List", approved by the Environmental Council and dated April 28, 1986, the subject request is exempt from the preparation of an environmental assessment pursuant to Exemption Class No. 1, "Operations, repairs or maintenance of existing structures, facilities, equipment or topographical features, involving negligible or expansion or change of use beyond that previously existing"

REMARKS:

Ursula Lamberson, Trustee for Ursula Lamberson Revocable Trust (Applicant) is the owner of Tax Map Key: (4) 5-5-008:005 (Parcel 5), which is further described as a portion of the Government Ahupuaa of Waioli sold to Koi under Royal Patent Grant No. 88 dated July 28, 1848. See Exhibit C.

Applicant requested an easement for access and utility purposes to inure to the benefit of Parcel 5 over State lands identified as TMK: (4) 5-5-008:002 and (4) 5-6-002:001. Applicant has received approval for an After-The-Fact Conservation Use Permit from the Department of Land and Natural Resources, Office of Conservation and Coastal Lands (OCCL) for access and utility easement over State-owned land identified as TMK (4) 5-5-008:002. See Exhibit D. The requested access and utility easement is an extension of (and inclusive of) easements A and B granted by the Board under Land Office Deed No. S-28,292. A copy of C.S.F. Map No. 22,726 from that grant is included in Exhibit A.

Applicant has not had a lease, permit, easement or other disposition of State lands terminated within the last five years due to non-compliance with such terms and conditions.

Comments were solicited from the agencies identified below with the results indicated.

State Agencies:

DOH	No response by suspense date
DLNR - DOFAW	No comments
DLNR - Historic Preserv.	Archeological survey be done
DLNR - OCCL	CDUP on file
OHA	No response by suspense date

County Agencies

County Planning	No objections
Public Works	No comments
Dept. of Water	No response by suspense date

Staff has no objections to the request.

Staff believes that the recommended action qualifies for an exemption from the preparation of an environmental assessment because the easement alignment or portions of it have been used by residents of this area for some time, such as the Kobayashi family under LOD S-28,292. Such use has resulted in no known significant impacts, whether immediate or cumulative, to the natural, environmental and/or cultural resources in the area. As such, staff believes that the proposed use would involve negligible or no expansion or change in use of the subject area beyond that previously existing.

RECOMMENDATION: That the Board:

1. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200, HAR, this project will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.
2. Authorize the subject requests to be applicable in the event of a change in the ownership of the abutting parcel described as Tax Map Key: (4) 5-5-008:005, provided the succeeding owner has not had a lease, permit, easement or other disposition of State lands terminated within the last five (5) years due to non-compliance with such terms and conditions.
3. Subject to the Applicant fulfilling all of the Applicant requirements listed above, authorize the issuance of a term, non-exclusive easement to Ursula Lamberson, Trustee, Ursula Lamberson Revocable Trust covering the subject area for access and utility purposes under the terms and conditions cited above, which are by this reference incorporated herein and further subject to the following:
  - A. The standard terms and conditions of the most current term, non-exclusive easement document form, as may be amended from time to time;
  - B. The easement shall run with the land and shall inure to the benefit of the real property described as Tax Map Key: (4) 5-5-008:005, provided however: (1) it is specifically understood and agreed that the easement shall immediately cease to run with the land upon the termination or abandonment of the easement; and (2) if and when the easement is sold, assigned, conveyed, or otherwise transferred, the Grantee shall notify the Grantor of such transaction in writing, and shall notify the Grantee's successors or assigns of the insurance requirement in writing, separate and apart from this easement document;
  - C. Review and approval by the Department of the Attorney General; and

- D. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.

MEMORANDUM

TO: Kaua'i Land District Office

JAN 16 2014

FROM: Samuel J. Lemmo, Administrator  
Office of Conservation and Coastal Lands

SUBJECT: Grant of Term, Non-Exclusive Easement for Access and Utility Purposes for Uluwehi, Inc., Ursula Lamberson, and A. Laurel Bennett Trust Located at Wai'oli, Hanalei, Kaua'i, TMK: (4) 5-5-008:002 & (4) 5-6-002:001

The Office of Conservation and Coastal Lands (OCCL) has reviewed the subject information and note that After the Fact authorization was gained via Conservation District Use Permit (CDUP) KA-3573 for the subject access/utility easement. We have attached CDUP KA-3573 and note that our files do not contain 'a land survey map prepared by a licensed land surveyor showing the alignment of the access and utility easement through parcel 2 for Parcel 3, 4, and 5' pursuant to condition #8.

Prior to going forward to the Board of Land and Natural Resources, the OCCL requests that the applicants for the easement comply with condition #8. A half-size survey map is sufficient for our files.

Should you have any questions regarding this memorandum, contact Tiger Mills of our Office at ~7-0382.

Dear Ms. Bennett,

This is to inform you that on May 17, 2011, the Chairperson of the Department of Land and Natural Resources approved your After-The-Fact (ATF) Conservation District Use Application (CDUA) KA-3573 for an access and utility easement over State-owned land on Subject Parcel TMK: (4) 5-5-008:002, located in Waioli Valley, Hanalei District, Island of Kauai, subject to the following terms and conditions:

- 1) The applicant shall comply with all applicable statutes, ordinances, rules, regulations, and conditions of the Federal, State and County governments;
- 2) The applicant, its successors and assigns, shall indemnify and hold the State of Hawaii harmless from and against any loss, liability, claim or demand for property damage, personal injury or death arising out of any act or omission of the applicant, its successors, assigns, officers, employees, contractors and agents under this permit or relating to or connected with the granting of this permit;
- 3) The applicant shall comply with all applicable Department of Health administrative rules. Particular attention should be paid to Hawaii Administrative Rules (HAR) Section 11-60.1-33, "Fugitive Dust" and to Chapter 11-46, "Community Noise Control;"
- 4) In issuing this permit, the Department has relied on the information and data that the applicant has provided in connection with this permit application. If, subsequent to the issuance of this permit, such information and data prove to be false, incomplete or inaccurate, this permit may be modified, suspended or revoked, in whole or in part, and/or the Department may, in addition, institute appropriate legal proceedings;

- 5) The applicant understands and agrees that this permit does not convey any vested rights or exclusive privilege;
- 6) Where any polluted run-off, interference, nuisance, or harm may be caused, or hazard established by the use, the applicant shall be required to take measures to minimize or eliminate the polluted run-off, interference, nuisance, harm, or hazard;
- 7) The applicant acknowledges that the approved work shall not hamper, impede or otherwise limit the exercise of traditional, customary or religious practices in the immediate area, to the extent such practices are provided for by the Constitution of the State of Hawaii, and by Hawaii statutory and case law;
- 8) The applicant will need to apply and receive a Land Disposition from the Land Division prior to CDUA approval. In addition, owners will need to submit a land survey map prepared by a licensed land surveyor showing the alignment of the access and utility easement through Parcel 2 for Parcels 3, 4, and 5;
- 9) Other terms and conditions as may be prescribed by the Chairperson; and
- 10) Failure to comply with any of these conditions shall render this Conservation District Use Permit null and void.

Please acknowledge receipt of this approval, with the above noted conditions, in the space provided below. Please sign two copies. Retain one and return the other within thirty (30) days. Should you have any questions on any of these conditions, please feel free to contact Dawn Hegger, Senior Planner, Office of Conservation and Coastal Lands at 587-0380.
