PSF No: 07HD-177

HAWAII

Amend Prior Board Action of April 25, 2008, Item D-8, Grant of Easement to Benjamin Konshak, Claude L. Harris, Jr., and Greeley West Corporation for Access Purposes, Kaiaakea, North Hilo, Hawaii, Tax Map Key: (3) 3-4-003: Portion of 011.

Purpose of the amendment is to change the name of the grantee consisting of the three original individual landowners (Konshak, Harris & Greeley West Corp) to the Maulua Homesteads Owners' Association, to allow accesses to the other adjacent landowners.

BACKGROUND:

At its meeting of April 25, 2008, item D-8, the Board of Land and Natural Resources approved grant of term, non-exclusive easement to Benjamin Konshak, Claude L. Harris, Jr., and Greeley West Corporation for access purposes. (Exhibit A) Over the years, various landowners in the Maulua Homesteads area have utilized the subject cane haul road as an access to their respective private properties. The cane haul road was originally built and maintained by the Laupahoehoe Sugar Company, which was previously under General Lease No. S-3616. The Sugar Company closed down and the lease was cancelled on January 12, 2010, with the Maulua landowners continuing to utilize the former cane haul roads. Now as a community association, the landowners are seeking to legalize their use of the former cane haul road as an easement over the State parcel identified as TMK: (3) 3-4-003:011.

REMARKS:

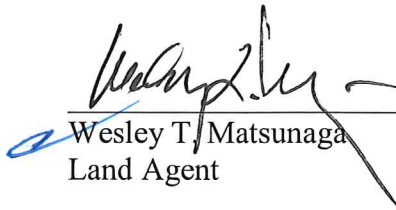

Staff was unable to complete the processing of the easement because the three grantees/landowners did not provide their required tax clearances

By letter dated June 18, 2015, Mr. David Real, President of the Maulua Homesteads Owners' Association, explained that the community association is in communication with the current grantees. It was agreed by all parties involved, to amend the prior Board action of April 25, 2008, to change the name of the grantee(s) to the Maulua Homesteads Owners' Association. In so doing, it would allow most, if not all of the adjacent landowners in the Maulua area to legally utilize the existing roadway that traverses the State property. Presently, there are a total of fourteen (14) properties listed under the Maulua Homesteads Owners' Association. (Exhibit B)

RECOMMENDATION: That the Board:

1. Amend its prior Board action of April 25, 2008, under agenda item D-8, by changing the grantee names from Benjamin Konshak, Claude L. Harris, Jr., and Greeley West Corporation to the Maulua Homesteads Owners' Association.
2. All terms and conditions listed in its April 25, 2008 approval to remain the same.

Respectfully Submitted,

Wesley T. Matsunaga

APPLICANT REQUIREMENTS:

REMARKS:

The subject State property identified as Tax Map Key: 3rd/3-4-03:11 is former sugar cane lands. An access road from the Mamalahoa Highway to the upper cane fields was built and

maintained by the Laupahoehoe Sugar Company under General Lease No. S-3616. This access road connected the highway to the "Old Government Road." The County of Hawaii Public Works Department indicated that they have no record of maintenance on this road. This would lead staff to believe the plantations maintained the Old Government Road. It is currently disconnected at the Poupou and Kulanakii Gulches (no existing bridges) and therefore can only be accessed via the cane haul road.

All applicants' own property adjacent to the Old Government Road and wish to utilize the cane haul road to access their respective properties (Exhibit B). Although the Old Government Road appears on the Tax Maps, it is unidentifiable and is therefore considered a "paper road". Mr. Konshak is owner of property identified by Tax Map Key 3rd/3-4-03:63 and is situated at the northwest end of the Old Government Road. Mr. Harris is the owner of property identified by Tax Map Key 3rd/3-4-03:07 and is situated at the southeast end of the Old Government Road. The Greeley West Corporation owns 2 parcels identified by Tax Map Key 3rd/3-4-03:62,63 and are situated on the northwest end of the Old Government Road.

The Applicants have not had a lease, permit, easement or other disposition of State lands terminated within the last five years due to non-compliance with such terms and conditions.

Office of Hawaiian Affairs	Comments Below

The County of Hawaii, Department of Public Works stated they have no record of maintaining the identified "old government road" and that it may belong to their roads in limbo inventory.

The Office of Hawaiian Affairs requests information regarding the length of the term for the easement being requested by the applicant. OHA would like to point out that the subject parcel is Section 5 (b) Ceded Lands, and they would have concerns if the term of the easement were too long and that it would limit the State's future use if the subject parcel should the needs change. Staff responded to OHA concerns and pointed out the easement has a term limit of fifty-five (55) years

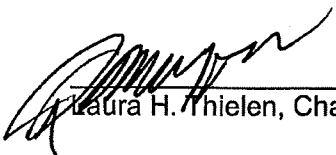

RECOMMENDATION: That the Board:

1. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200, HAR, this project will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.
2. Authorize the subject requests to be applicable in the event of a change in the ownership of the applicants parcel described as Tax Map Key: 3rd/3-4-03:07,62, 63 & 66 provided the succeeding owners have not had a lease, permit, easement or other disposition of State lands terminated within the last five (5) years due to non-compliance with such terms and conditions.
3. Subject to the Applicants fulfilling all of the Applicants requirements listed above, authorize the issuance of a term non-exclusive easement to Benjamin Konshak, Claude L. Harris, Jr. and Greeley West Corporation covering the subject area for access purposes under the terms and conditions cited above, which are by this reference incorporated herein and further subject to the following:
 - A. The standard terms and conditions of the most current term easement document form, as may be amended from time to time;
 - B. The easement shall run with the land and shall inure to the benefit of the real property described as Tax Map Key: 3rd/3-4-03:07,62, 63 & 66, provided however:(1) it is specifically understood and agreed that the easement shall immediately cease to run with the land upon the expiration or other termination or abandonment of the easement; and (2) if and when the easement is sold, assigned, conveyed, or otherwise transferred, the Grantee shall notify the Grantee's successors or assigns of the insurance requirement in writing, separate and apart from this easement document;
 - C. Review and approval by the Department of the Attorney General; and
 - D. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.
