REMARKS:

Waikiki Community Center (WCC) requests the Board's consent to sublease General Lease No. S-5805 to the following entities, named as its sublessees: Native Hawaiian Hospitality Association, United Self Help, Waikiki Beach Chaplaincy Inc., and International Church of the Foursquare Gospel, dba Hope Chapel.

Since 1982, Waikiki Community Center (WCC) has been the lessee for the subject property located upon State land, for community service purposes. In the year 2007, the Board authorized the issuance of a new 30-year lease to WCC for the purposes cited above, under the subject General Lease No. S-5805.

Based on WCC's most current revenue and expense report as of May 2015, staff noted a deficit net income amount of almost \$15,000.00, notwithstanding that the current rent level for the sublessees had been reflected in the report. As such, staff does not believe that any adjustment in the rental of the master lease [i.e. sandwich rent] is applicable in the current situation. A copy of the subject report has been filed.

The sublease between WCC and United Self Help had expired on February 28, 2013. A current sublease has been executed to replace the expired sublease, commencing on June 1, 2015 and will expire on May 31, 2018. As such, the Board's after-the-fact consent is required to account for the elapsed time period that had occurred from: March 1, 2013 to May 31, 2015.

Based upon a recent site inspection, the subject property was observed to be in satisfactory condition. WCC is currently in compliance with the terms and conditions of the subject master lease. The subject property will continue to serve community service purposes, and would involve negligible or no expansion or change in use of the subject area beyond that previously existing.

There are no issues regarding any rental reopening, as the next reopening will not occur until the year 2017. Staff did not solicit comments on the subject request as it is for housekeeping purposes only. Staff has no objection to the request.

Staff now brings this request to the Board for its approval.

RECOMMENDATION: That the Board

1. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS/ Hawaii Administrative Rule Sections 11-200-8(a)(1) and the Exemption List for the Department of Land and Natural Resources approved by the Environmental Council and dated June 5, 2015, this project will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.

2. Consent to the sublease of General Lease No. S-5805 between Waikiki Community Center, named as Sublessor, to: Native Hawaiian Hospitality Association, United Self Help, Waikiki Beach Chaplaincy Inc. and International Church of the Foursquare Gospel, dba Hope Chapel, named as its sublessees, subject to any applicable conditions cited above which are by this reference incorporated herein and further subject to the following terms and conditions:
 - A. The standard terms and conditions of the most current consent to sublease form, as may be amended from time to time;
 - B. Review and approval by the Department of the Attorney General; and
 - C. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.

Respectfully Submitted,

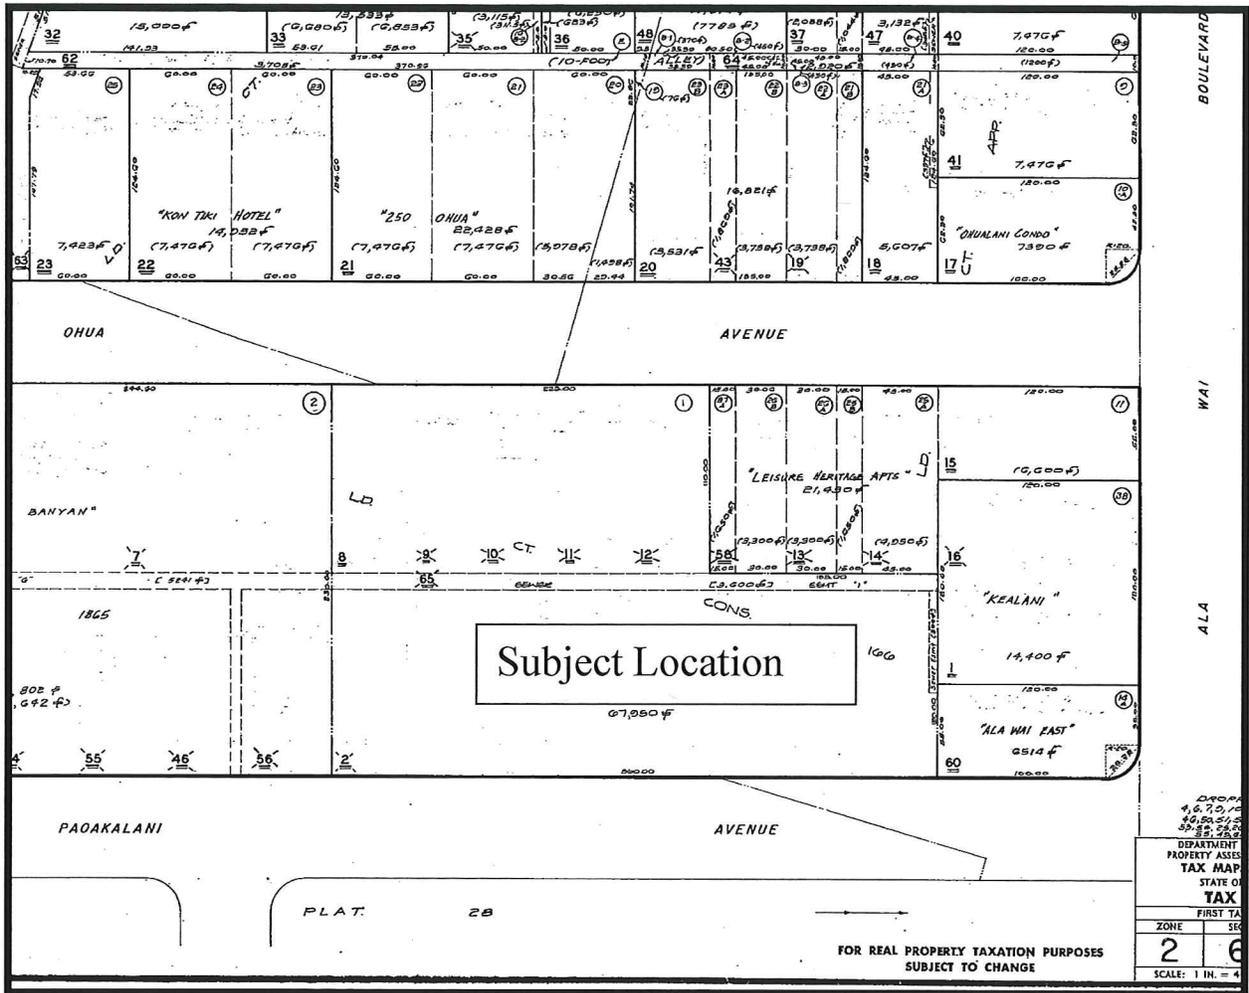

Timmy Chee
