Board of Land and Natural Resources
State of Hawaii
Honolulu, Hawaii

**Declare Project Exempt From Requirements of Chapter 343, HRS, and Title 11,
Chapter 200, Hawaii Administrative Rules**

**Kihei Boat Ramp Improvements
Kihei, Maui, Hawaii**

The Board of Land & Natural Resources approved the award of the construction contract for the subject project on July 12, 2013. Pursuant to Chapter 343, Hawaii Revised Statutes (HRS), and Chapter 11-200, Hawaii Administrative Rules (HAR), the attached Exemption Notification labeled Exhibit A was prepared.

The Division of Boating and Ocean Recreation (DOBOR) is proposing improvements to the Kihei Boat Ramp facility which include re-paving existing paved parking and roadway areas, demolition of the existing boat wash down area and construction of a new boat wash down area of equal capacity, and drainage improvements.

In accordance with Hawaii Administrative Rule Section 11-200-8(A) and the Exemption List for the Department of Land and Natural Resources (DLNR), Approved by the Environmental Council, on June 5, 2015, this project is exempt from the preparation of an Environmental Assessment (EA) pursuant to the following exemptions:

Scope of Work #1: Re-paving of existing paved parking and roadway areas.

Exemption Class No. 2, Item No. 21: Replacement or reconstruction of existing roadways, roadway shoulders, road structures and signage, parking areas, walkways, bikeways, multi-use pathways, driveways, and boat launch ramps.

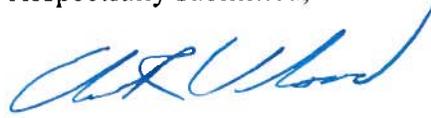

Scope of Work #2: Removal of the existing boat wash down area and construction of a new boat wash down area of equal capacity and installation of shallow drainage catch basins in newly paved areas.

Exemption Class No. 3, Item No. 14: Construction of drainage swales and structures and other similar surface runoff management techniques with minimal or no effect on the environment.

RECOMMENDATION

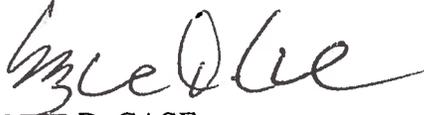

Declare that, after considering the potential effects of the proposed project as provided by Chapter 343, HRS, and Chapter 11-200, HAR, these projects will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.

Respectfully submitted,

EDWARD R. UNDERWOOD
Administrator
