REMARKS:

The Waikiki Roughwater Swim Committee, Inc. (WRSC) requests the issuance of a right-of-entry permit to use selected areas of the Duke Kahanamoku Beach for the finish of their 47th Annual Waikiki Roughwater Swim race event. The event is scheduled for Monday, September 5, 2016. Equipment will be set-up on the permitted beach areas starting from 5:30 a.m. and torn-down by 1:30 p.m. Applicant has submitted a map delineating the selected beach areas requested for use relating to the subject event. See **Exhibit 3**. A roped-off, finish line area (approximately 1,100 square feet) near the shoreline of Duke Kahanamoku Beach fronting the Hilton Hawaiian Village Hotel will contain the timing equipment, an announcer's table, and an area to remove race chips from the finished swimmers. WRSC also requests the use of 200 square feet of beach area situated adjacent to the finish line for the setting up of two tents, serving medical doctor and first aid purposes. An additional 200 square feet of tented and table area is requested for "Clothes Pick-up". Further, the applicant requests the use of 200 square feet of beach area for the placement of a tent including tables for T-shirt distribution purposes. Lastly, a 100 square foot tented beach area is being requested for use as a water station. The right-of-entry permit request includes the use of a total amount of 1,800 square feet of beach area.

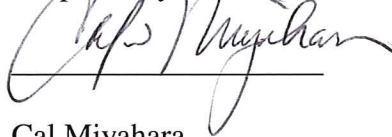

Office of Conservation and Coastal Lands has no comments to the request.

The applicant has not had a lease, permit, easement or other disposition of State lands terminated within the past five years due to non-compliance with such terms and conditions.

RECOMMENDATION: That the Board

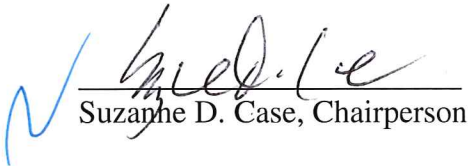

1. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200, HAR, this project will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.
2. Authorize the issuance of a right-of-entry permit to Waikiki Roughwater Swim Committee, Inc. for the purpose of covering the subject area for the swim race event under the terms and conditions cited above, which are by this reference incorporated herein and further subject to the following:
 - A. The standard terms and conditions of the most current right-of-entry form, as may be amended from time to time; and
 - B. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.

Respectfully Submitted,

Cal Miyahara
Shoreline Disposition Specialist

EXEMPTION NOTIFICATION

regarding the preparation of an environmental assessment pursuant to Chapter 343, HRS and Chapter 11-200, HAR

Project Title: Issuance of Right-of-Entry Permit for the Waikiki Roughwater Swim Committee, Inc

Project / Reference No.: PSF 16OD-057

Project Location: Waikiki, Honolulu, Oahu, Tax Map Key: (1) 2-3-037: portions of: 021.

Project Description: Swim Race Event

Chap. 343 Trigger(s): Use of State Land

Exemption Class No.: In accordance with Hawaii Administrative Rule Section 11-200-8 and the Exemption List for the Department of Land and Natural Resources concurred with by the Environmental Council and dated June 5, 2015, the subject request is exempt from the preparation of an environmental assessment pursuant to Exemption Class No. 1, Item 51, which states the "Permits, licenses, registrations, and rights-of-entry issued by the Department that are routine in nature, involving negligible impacts beyond that previously existing".

This Board has permitted similar events in the past. The proposed activity is of a similar type and scope of beach activities that periodically occurred and continues to occur on this and other beach areas across the State. Such activities have resulted in no known significant impacts, whether immediate or cumulative, to the natural, environmental and/or cultural resources in the area. As such staff believes that the proposed event would involve negligible or no expansion or change in use beyond that previously existing.

Consulted Parties Office of Conservation and Coastal Lands.

Recommendation: It is recommended that the Land Board find this project to have minimal or no significant effect on the environment and is presumed to be exempt from the preparation of an environmental assessment.
