

OPEN ENROLLMENT SCHEDULE FOR RETIREES

The Employer-Union Health Benefits Trust Fund invites you to attend our Open Enrollment informational sessions. These sessions have been confirmed at printing time. We may be adding additional sessions. Please call us at (808) 586-1681 or check with our website, www.eutf.hawaii.gov for the most current schedule.

The following schedule is provided so you can meet with your insurance carriers to learn more about your Trust Fund benefit plan coverages. With the change from the current Health Fund and Union plans, the Trust Fund will be providing a half-hour overview of the changes at the start times noted. The remaining time will allow you to meet with the insurance carriers and the Trust Fund staff. If you have received your personalized enrollment form, please bring it with you.
