

## Community Meeting Announcement

The State Land Use Commission (LUC) will be hosting community conversations to collect preferences and priorities for rural Hawai`i. The products from these workshops will be reported to the LUC and Legislature regarding potential amendments to the state land use law, chapter 205, Hawai`i Revised Statutes.

This meeting will focus on shaping policies and standards for your preferred rural Hawai`i, as a follow-up to the August 15, 2006 meeting previously held at the Mitchell Pauole Center.
