

Francis S. Oda, ARCH. D., FAIA, AICP, LEED AP

CHAIRMAN

group70int.com

Francis S. Oda is the Chairman of Group 70 International, Inc., a sustainable design architecture, planning, and interior design firm in Hawai'i with projects throughout the Pacific. He is the Chairman of Renomics Corporation which designs, finances, owns and operates integrated smart infrastructure for sustainable communities. Dr. Oda is the Senior Pastor of New Life Church Honolulu and Chair of the Global Council of the International Transformation Network (ITN).

Dr. Oda received a Bachelor of Architecture degree from Cornell University, and a Doctor of Architecture degree from the University of Hawai'i. He is a Fellow of the American Institute of Architects (FAIA), a Certified Planner (AICP), and a certified Leadership in Energy and Environmental Design Accredited Professional (LEED AP). His work in architecture and planning shows a sensitivity to place, culture and sustainability in the U.S. and throughout Asia and the Pacific Rim. His work has been published in national and international journals, including: Architectural Digest, Architecture in Hawai'i, the Architectural Guide to the Bay Area, and Religious Buildings. Recognized with numerous design awards for his projects, he also received the National AIA Honor Award, the highest award given for a constructed building in the United States.

Dr. Oda is an Associate Professor of the University of Hawai'i School of Architecture and a Manoa Forum Scholar of the University. He is recognized as a Distinguished Alumnus of the University. He was installed in The Hawai'i Business Hall of Fame, and also received the Humanitarian Award from the American Institute of Architects, Hawai'i Chapter. Dr. Oda continues to serve on numerous professional and community boards.

[CONTACT](#)

Joseph Scanga
Principal

Joseph (Joey) Scanga is a partner and urban designer with two decades of diverse experience at Calthorpe Associates. His business acumen has helped shape the firm's network of partnerships and maintain a meaningful relationship with project clients. He has managed projects in countries worldwide and has served clients in the public, private, and educational sectors. Mr. Scanga's expertise is diverse, and his work has focused on urban design, station area planning, urban revitalization, and architecture of housing and mixed-use prototypes.

Mr. Scanga has played a pivotal role in the design and management of the following projects:

- [LUTRAQ: Making the Land Use, Transportation, Air Quality Connection](#) (Portland Region, Oregon)
- [Blueprint Denver General Plan](#) (Denver Region, Colorado)
- [HOPE VI Projects](#) (Various locations, USA)
- [Al Wasl](#) (Riyadh, Saudi Arabia)
- Highlands Garden Village (Denver, Colorado)

Prior to joining Calthorpe Associates, Mr. Scanga worked with Fisher-Friedman Associates in Emeryville, CA. Projects he was involved with include Pleasant Hill City Hall, UC Irvine Graduate Student Housing, and UC Riverside Student Housing. He is currently the acting President of the Italo Scanga Foundation, a non-profit charitable-trust whose mission is to support the visual arts.

Mr. Scanga holds a Bachelor of Architecture and Bachelor of Fine Arts from the Rhode Island School of Design, a Master of Architecture from the University of California at Berkeley, and studied in Italy with the International Laboratory of Architecture & Urban Design (ILAUD) program. He has been a guest critic at UC Berkeley and California College of Arts & Crafts (CCAC), and has lectured extensively throughout the country on the subject of compact growth adjacent to transit stations.
