Chairperson Keith Ahue called the meeting to order.

Bert Saruwatari, staff planner for the Land Use Commission, gave a presentation on the Rules and Procedures of the Land Use Commission. After hearing the presentation, discussion followed among the Commissioners.

Rae Loui, Deputy, for the Commission on Water Resource Management, presented the Land Use Commission with background information on the Commission on Water Resource Management and process for Issuance of Water Permits. Discussion followed on Land-Water Issues in the critical areas in the State, the

conformance with the Hawaii Water Plan, possible resource protection conditions including Department of Health conditions for golf course development, disallowing potable water for irrigation, stormwater management, and buffer zones for high quality streams and wetlands.

After the discussion, the public was invited to present comments.

The meeting was adjourned at 10:42 a.m.
