

STATE OF HAWAII DEPARTMENT OF TAXATION

INCOME TAX LETTER OF INTENT

Tax Year 2022

2022 Tax Software Provider State of Hawaii Department of Taxation Letter of Intent

Welcome to the Letter of Intent (LOI). If your software company intends to submit electronic returns to the State of Hawaii Department of Taxation (DOTAX) you will need to complete this form and submit it to tax.ind.mef.test@hawaii.gov for individual MeF and tax.bus.mef.test@hawaii.gov for business MeF.

By submitting this Letter of Intent (LOI) to DOTAX, you are agreeing to meet our standards for software provider registration, all tax preparation software, and substitute forms. If you do not meet the standards and requirements explained in this LOI, we may deny your application or revoke your approved software provider status and reject all electronic returns submitted using your products.

You must complete a separate LOI form for each unique product your company offers. If you submit an incomplete form, your request to participate in electronic or paper submissions may be denied.

Note: If you are a new Software Provider who has not filed city/state income tax returns with any city or state agencies, you must have passed assurance testing with the IRS. Attach documentation from the IRS demonstrating you have successfully tested with the IRS.

Amended Letter of Intent

The DOTAX has important key dates to ensure we are ready for the filing season and taxpayers can file an accurate and timely tax return. Please note the following key dates:

• Complete and submit this LOI by October 31, 2022.

Check this box if this is an amended Letter of Intent.

• Assurance testing (ATS) begins with IRS, or within a week.

Rebranded Software Products

Complete this section only if your product is rebranded.

In order for the software to be considered rebranded, changes cannot be made to the software requirements and output(s). As the Software company selling and/or licenses your product to a third-party, it is your responsibility to make sure the rebranded product reflects the current software requirements and output(s). Enter the appropriate class code for the rebranded product in class code box below.

- Class Code 1: Software products sold/licensed to a third-party user and the third-party user has the ability to add their own logos and/or splash screens. They cannot modify calculations in the program.
- Class Code 2: Software products sold/licensed to a third-party user and the third-party has the ability to alter/change calculations in the program.

Rebranded Product Name	Class Code	ETIN (if applicable)	Contact Person	Phone	Email Address
Rebranded Product Name	Class Code	ETIN (if applicable)	Contact Person	Phone	Email Address
Rebranded Product Name	Class Code	ETIN (if applicable)	Contact Person	Phone	Email Address
Rebranded Product Name	Class Code	ETIN (if applicable)	Contact Person	Phone	Email Address
Rebranded Product Name	Class Code	ETIN (if applicable)	Contact Person	Phone	Email Address

Please attach additional sheets if needed.

For Rebranded Products, DOTAX has the following requirement for e-file ATS approval

- Rebranded Products with class code 1 are not required to complete e-file ATS approval
- Rebranded Products with class code 2 are required to complete an abbreviated e-file ATS form approval process

Substitute Forms Registration

DOTAX requires the completion of a separate LOI for the use of substitute forms. DOTAX requires all reproduced or substitute Hawaii tax forms to adhere to certain requirements to ensure they are consistent with the official forms and compatible with our processing system. More information on the Form Reproduction Program can be found at https://tax.hawaii.gov/forms/ under "Guidelines for Reproduced and Substitute Paper Tax Forms".

Electronic amended returns

DOTAX requests supporting electronic amended return for those available through MeF.

Softw	vare limitations
List an	y software limitations to forms or schedules you support.

Agency Requirements

This section identifies agency requirements expectations for communicating information to users of the software product.

Issue notification and resolution requirements

This section represents the DOTAX issue notification and issue resolution standards.

If your company identifies an issue, incident, or threat of significance, you should:

- Conduct an initial analysis and immediately take steps to block or contain the issue.
- Share detailed information about impacts to our returns or taxpayers immediately as permitted by applicable laws, regulations, or policies.

Information we'd like includes, but is not limited to:

- Date and time of the incident.
- Date and time the incident was discovered.
- How the incident was discovered.
- Description of the incident.
- Data involved, including specific data elements if know.
- Actual or estimated number of taxpayer records involved.
- o Infrastructure/systems involved (i.e. laptops, servers, desktops etc.).
- o Examples of information communicated to customers or other external audiences about the issue.
- Plan for correcting the issue and if appropriate, notifying those impacted.
- Work with us to answer our questions and identify, correct, and prevent the issue.
- If applicable, work with us to develop and distribute communication material and instructions for customers.

Production return submission requirements

All returns generated from this software must be electronically filed or printed from the initially approved software or a subsequent product update.

Product update requirements

Desktop products users who attempt to file 10 or more business days after a production release, must be required to download and apply the product update.

Schema requirements

Your software must follow the schema requirements. Agency schema, schema requirements, business rules and e-file documentation for DOTAX can be found at the FTA State Exchange System.

System security requirements

DOTAX does not prescribe the security requirements for your system. You are responsible for implementing appropriate security measures to protect taxpayers and their information in your system. You must apply security measures to protect taxpayer information in your system when it is on-line, off-line, at rest, and in transit.

Testing and submission requirements

All e-file ATS and substitute forms tests submitted during the approval process must be created in, and originate from, the actual software.

Customer Communications

This section identifies information DOTAX is requiring the software providers to communicate with customers.

Disclosure and use of information language expectations

The following consent language must be added to electronic filing software to notify the user.

For Do-It-Yourself software:

By using a computer system and software to prepare and transmit return(s) electronically, I consent to the disclosure of all information pertaining to my use of the system and software to the Department of Taxation, as applicable by law, and to the transmission of my tax return(s).

For Tax Professional software:

By using a computer system and software to prepare and transmit my client's return electronically, I consent to the disclosure of all information pertaining to my use of the system and software to create my client's return and to the electronic transmission of my client's tax return to the Department of Taxation, as applicable by law.

For Business software:

By using a computer system and software to prepare and transmit this business return electronically, I consent to the disclosure of all information pertaining to the user of the system and software to create this business return and to the electronic transmission of this business tax return to the Department of Taxation.

Driver's License/ID Card Expectations

DOTAX is providing the following expectations and information:

For e-file returns:

DOTAX does not want to receive the DL/ID card with the tax return

For printed/paper forms requesting the DL/ID Card information:

DOTAX does not want to receive the DL/ID card with the tax return

Refund expectations

DOTAX is providing a URL and/or a statement about refund processing. Industry partners must use this statement and/or URL or other method prescribed by the agency in all products. The messages must be shown to end-users within the software in a way to maximize the likelihood the message is read.

- URL: https://hitax.hawaii.gov/
- Statement: Check your Individual Tax Refund Status at the Department of Hawaii Taxation website

Acknowledgements and Signature

I agree to provide true, accurate, current, and complete information. By signing this agreement, my company agrees to all the requirements listed in this document. The Department of Taxation reserves the right to deny, suspend or terminate my company's ability to submit returns.
