SECTION 1: INTRODUCTION

The State of Hawaii, Department of Taxation (DOTAX), in conjunction with the Internal Revenue Service (IRS), accepts state Corporate, Partnership and Estate/Trust/Fiduciary Income Tax returns and corresponding forms and schedules using the Modernized E-File (MeF) system. DOTAX supports "linked" and "unlinked" submissions.

The current schema package approved for production is: **HIBusiness2022V1.0**.

To participate in the Hawaii MeF Program, software developers must adhere to the guidance in this handbook. All IRS requirements must also be met to participate in the Hawaii MeF program. However, this handbook does not represent the requirements and procedures issued by the IRS. For more information and technical guidance refer to the IRS MeF User Guides and Publications at www.irs.gov.

For more details regarding the preparation of Hawaii business income tax returns, including forms, schedules and instructions refer to our DOTAX website at tax.hawaii.gov or FTA State Exchange System (SES).

SECTION 4: ACCEPTANCE AND PARTICIPATION

In order to participate in the Hawaii MeF program, each year software providers and direct transmitters must provide the information requested below. Otherwise, any submitted test returns will be automatically rejected.

4.1 SOFTWARE PROVIDERS

In addition to your submission of the National letter of intent, DOTAX requires the submission of the Hawaii State Letter of Intent (LOI) to participate in its MeF Program (Form EF-87). The Hawaii LOI is available on the DOTAX website at tax.hawaii.gov.

Software providers that do not submit the 2022 Hawaii LOI by **October 31, 2022**, will not be approved for Hawaii ATS for tax year 2022.

Please e-mail DOTAX at tax.efile.test@hawaii.gov and attach a completed Form EF-87 for each supported product / test ETIN; please include your test ETIN in the subject of the e-mail. Upon receipt and approval of your Hawaii LOI submission, DOTAX will grant you access to the Hawaii Business schemas, business rules and test packages posted on the Federation of Tax Administrators (FTA) State Exchange System (SES), and inform you when you may begin sending submissions for ATS. Do not transmit any test returns until you receive a confirmation e-mail from DOTAX that testing can begin; otherwise they will be rejected.

Live returns will not be accepted until the software provider has passed all ATS scenarios and DOTAX provides confirmation that testing is completed. DOTAX reserves the right to deny a request to participate

in Hawaii's MeF program (Form EF-87). Live returns submitted prior to the completion of ATS will be rejected.

4.2 DIRECT TRANSMITTERS

Direct transmitters must use an approved third party software product, please e-mail the following information to tax.efile@hawaii.gov, and include the "Direct Transmitter Info" in the subject of the e-mail. Please do not transmit any returns until you receive a confirmation e-mail from DOTAX that your set-up is completed, otherwise submissions will be rejected.

1. Direct transmitter's company name and address
2. Direct transmitter's contact name
3. Direct transmitter's contact number
4. Direct transmitter's ETIN
5. Approved software product name
6. Approved software ID

SECTION 5: RESPONSIBILITIES

Developers, Transmitters, and Electronic Return Originators (ERO) must abide by the terms in this handbook and maintain a high degree of integrity, compliance, and accuracy to remain in the Hawaii MeF Program.

5.1. INTEGRITY

Responsible for verifying that the DOTAX return has been properly prepared, validated by the IRS, and received by DOTAX. Must ensure that the DOTAX acknowledgements are received.

DOTAX strongly recommends that developers provide the data requested in the authentication header.

5.2. COMPLIANCE

All requirements and specifications in the IRS Modernized e-File (MeF) User Guides, Publications, and the DOTAX MeF Handbook must be met.

Unauthorized access, possession or disclosure of confidential taxpayer information can result in severe Federal and Hawaii criminal and civil penalties in accordance with sections 231, 235, 237, 237D, 487N and 708-839.55, Hawaii Revised Statutes (HRS).

5.3. ACCURACY

Provide a complete and accurate copy of the return to the taxpayer according to the guidelines set by the IRS.

5.4. TIMELINESS OF FILING

Must ensure electronic returns are filed in a timely manner. The date of transmission will be the filing date for accepted DOTAX returns. If the due date falls on a Saturday, Sunday, or legal holiday, substitute the next regular work day.

- Returns are due on or before the 20th day of the 4th month following the close of the taxable year.
- If you do not have any additional taxes to pay by the due date, you are not required to file a Form N-201V as there is an automatic 6-month extension of time to file when no payment is due. Go to hitax.hawaii.gov to file a Form N-201V with a payment to request a 6-month extension of time to file the return by the

regular due date of the corporate/partnership/fiduciary return. The extension of time to file is not an extension of time to pay and any extension will be invalidated if the properly estimated tax liability is not paid by the prescribed due date of the return.

5.5 SOFTWARE ACCEPTANCE, TESTING AND APPROVAL

The Hawaii Test Packages for Business MeF are available on FTA SES.

N-30 Test Package (Pub. EF-11)

- Four test scenarios are required for software that supports Form N-30 (excluding any forms and schedules not supported by your product).

N-35 Test Package (Pub. EF-11)

- Four test scenarios are required for software that supports Form N-35 (excluding any forms and schedules not supported by your product).

N-40 Test Package (Pub. EF-16)

5.6 TESTING PERIOD

2022 ATS begins on – IRS ATS open date (*subject to change*)

5.7 PROCEDURES FOR TESTING

The Business Mef Testing Group will notify software providers by e-mail when their testing can begin.

To make a request for ATS verification, e-mail the following to tax.bus.mef.test@hawaii.gov:

1. **Your test ETIN (*include in subject line*)**
2. **Date of submission**
3. **Number of submissions**
4. **Submission ID(s) (*must be in plain text format*)**

Note: Transmissions with a rejected status cannot be verified for ATS. Ensure that your transmissions have an accepted submission status before sending the e-mail.

Pass/Fail testing

1. DOTAX will verify test scenarios in a timely manner: November through January usually **within 5 to 7 business days of receipt**.
2. ATS must be completed by **January 31, 2023** to participate in the Hawaii MeF Program.
3. An "Accepted" acknowledgement means that your submission has been validated against DOTAX's schemas and business rules, and accepted for processing. However, the submission must still be checked against the test scenarios. DOTAX will inform you by email with the status of the test results.
 - PASS – The test scenario(s) was received and passed the testing process. No further action is required for that test scenario.
 - FAIL – The test scenario(s) was received but failed the testing process. Please make the necessary corrections and resubmit the failed test scenario(s) only.

- 4. DOTAX reserves the right to require the software providers to re-test their products at DOTAX's discretion.

5.8 INDEPENDENT TESTING

After passing ATS with DOTAX, software providers may conduct independent testing using their own data. Please use the same taxpayer entity information (i.e. names and FEIN numbers) provided in the test scenarios. The independent test submissions are not verified by the Business MeF Testing Group. Any inquiries regarding independent test results should be sent via e-mail. Please include your test ETIN in the subject of the e-mail.

SECTION 6: ACKNOWLEDGEMENT SYSTEM

- 1. All data transmitted through the MeF system must be in accordance with the DOTAX schemas and business rules documents, which are released via e-mail.
- 2. Upon receiving the submission, DOTAX will generate a receipt to the IRS. After processing the submission, DOTAX will send an acknowledgement of acceptance or rejection within two business days.
- 3. For linked submissions DOTAX will generate a separate acknowledgment from the IRS acknowledgment. Receiving an IRS acknowledgment does not mean that DOTAX acknowledges receipt of the state income tax return.
- 4. Allow at least three business days from the received date before contacting the Electronic Processing Section for inquiries regarding the status of the submission. Please provide the following information:
 - a. Corporation Name
 - b. Corporation FEIN
 - c. Transmission Date
 - d. Submission ID
- 5. Once MeF is live, software providers must be available to correct any software errors that may arise, and work with DOTAX to follow up on any processing issues. Any new release of software must be done in a timely manner, with proper notification to all customers.
- 6. DOTAX reserves the right to reject submissions and to require retesting of product(s) at DOTAX's discretion.
