## DEPARTMENT OF TAXATION ANNOUNCEMENT NO. 2007-19

RE: Revised Hawaii County Fuel Tax Rate, Effective October 1, 2007

Hawaii County Resolution 109-07 (Draft 2) decreases the Hawaii County biodiesel fuel tax rate from two and one-fifth (2.2) cents to zero (0) cents per gallon. The decrease in the tax will apply to all sales of biodiesel beginning October 1, 2007 (the decrease applies to stock that was purchased by distributors before October 1, 2007, but sold on or after October 1, 2007). See the attached Schedule of Fuel Tax Rates (Effective October 1, 2007) for all counties.

The applicable fuel tax forms are being revised to incorporate the decrease in the Hawaii County biodiesel fuel tax rate. The revised tax forms will be available at the district offices of the Department of Taxation and will be mailed to distributors.

Forms and other tax information may be downloaded from the Department's website at [www.hawaii.gov/tax](http://www.hawaii.gov/tax). If you know which tax form or publication you need, please call the Department's forms request line at 808-587-7572, or toll-free from the neighbor islands and continental U.S. at 1-800-222-7572.
