Dear \_\_\_\_\_,

This letter is to notify you of the probability that the State Taxing Authority will move forward with garnishing your wages and placing levies on your bank account and other property as a result of the unpaid tax lien.

You have previously been notified that the State Taxing Authority has placed a lien in the amount of \$17,800.00 in the name of \_\_\_\_\_ on 08/26/15. That demand for payment has yet to be satisfied and as of 3/25/2016 remains unpaid.

This investigation has been filed with the County of Honolulu on 08/26/15, and is official record.

As provided by the State Taxing Authority, the lien has been placed on all property and rights to the property in the name of \_\_\_\_\_ for the total due including penalties, interest and other costs. Many times, the penalties, interest and other costs doubles what the State Taxing Authority is trying to collect from you.

It is in your best interest to contact the Help Phone Number at (800) 627-0539, reference file number DIL03252016.

If you believe that this is an error or that you do not owe the lien recorded, call 800-316-3092 to have this verified. If your taxes have been paid, you can disregard this notice.
