THE PRIMARY PURPOSE of the audit was to form an opinion on the fairness of the presentation of the financial statements for the Department of Transportation, Harbors Division (DOT-Harbors), as of and for the fiscal year ended June 30, 2017. The audit was conducted by KKDLY LLC.

About the Division

DOT-HARBORS is responsible for the statewide system of commercial harbors, consisting of ten harbors on six islands. The system plays a vital role in Hawai'i's economy as the ports serve as the primary means for goods to enter and exit the State. Hawai'i imports approximately 80 percent of what it consumes, the majority of which enters the State through the commercial harbors system. DOT-Harbors imposes and collects rates and charges for use of the harbors system to generate revenues to fund operating expenses. Capital improvements are funded by DOT-Harbors' revenues and the issuance of harbor system revenue bonds.
