**NEW ST. CHARLES.**

BECAUSE it is new and one of the latest, largest and best Hotels in the country, accommodating seven hundred guests, with one hundred and fifty private bathrooms, four hundred and fifty parlors and bedrooms, alcoved, single and en suite.

BECAUSE it is absolutely fireproof and the only fireproof Hotel in the city.

BECAUSE it is steam heated and lighted throughout with electricity, insuring warmth and comfort at all times.

BECAUSE the drinking water is filtered, distilled and aerated, and the ice made from it on the premises, both absolutely pure, and while possessing no medicinal quality, is as healthful as any imported, native water in the country.

BECAUSE the Collonade and Roof Garden on parlor floor afford a delightful open air promenade in sunshine or shade, among tropical plants and shrubbery

BECAUSE the Turkish and Russian baths are among the finest in the country, built of marble and luxuriously fitted up, with experienced Massage Operators, Chiropodist and Manicure in attendance.

BECAUSE the Hotel is kept on both the American and European plans, with first-class Dining Room and Restaurant service and cuisine. You can take your choice.

BECAUSE we want your patronage and promise, in return, the best of care and attention at moderate prices

## WARNING !

### TO MANAGERS AND THE PROFESSION IN GENERAL :

Look out for tricky photographic invitations and solicitors who tell you they will photograph you free of charge. Remember, this is only to get you to their places, then should you order photographs, they will make you pay many times the amount that Feinberg, the famous professional photographer, who has and is pleasing thousands, would. Save money by calling personally at Feinberg's. You will be surprised at the artistic work, novel ideas and low rates.
