# 409  
A Hawaiian National Ode.

Words + Music composed by Mrs. Lilia K.

Dominus, the Heavens Apparent.

(Translated into English by H.S.)

Eternal Father! Mighty God!  
Behold us from Thy bliss abode;  
Do Thine eyes turn, for Thou wilt care,  
Do listen to our humble prayer.  
May gentle Peace forever reign  
O'er these fair Islands of the main,  
Hawaii's peaks to Nihoa's strand -  
Thy peace, O Lord, o'er all our land.  
Forever be our country free;  
Our hearts and Heaven's in harmony;  
All hearts respond, all voices sing,  
God save, God save our gracious King!

O may our Chieftains ever be,  
Guided, O Lord, by love to Thee,  
And all the People join to raise  
One universal song of praise.  
God save the People of our land;  
Upheld by Thine Almighty hand,  
Thy watchful care defends from harm,  
Faithful and sure Thy sov'reign arm.  
Forever be our country free, &c.
