Section 3. Research Activities in Hawaii

3a. Please indicate the areas in which QHTB conducted research activity in Hawaii during the tax year 2020 (select all that apply): *

- | | |
|---|--|
| <input type="checkbox"/> Astronomy | <input type="checkbox"/> Biotechnology |
| <input type="checkbox"/> Computer Software | <input type="checkbox"/> Non-Fossil Fuel Energy-Related Technology |
| <input type="checkbox"/> Performing Arts Products | <input type="checkbox"/> Sensor and Optic Technology |
| <input type="checkbox"/> Ocean Sciences | <input type="checkbox"/> Other |

3b. As of 12/31/2020, please indicate the **number of years** the QHTB has performed one or more of the activities listed in question 3a: *

3c. Please indicate the total amount of eligible research expense incurred in Hawaii in the tax year 2020 (Amount reported or that will be reported on Line 1g, Column B of Form N-346A, Department of Taxation, State of Hawaii): *

3d. Please indicate the percent of amount in 3c. that came from out-of-state sources: *

3e. What is the dollar amount of tax credit for research activities that the QHTB reported or will report on Form N-346A (Part I, line 2), Department of Taxation, State of Hawaii, for the tax year 2020? *

3f. How did the Hawaii income tax credit for research activities affect the QHTB's decision to make research expenses in Hawaii in the tax year 2020? *

It would have spent almost the same amount in research activities in Hawaii whether or not Hawaii offered the state credit for research activities

It would have spent a slightly lesser amount in research activities in Hawaii if Hawaii did not offer the state credit for research activities

It would have spent a significantly lesser amount in research activities in Hawaii if Hawaii did not offer the state credit for research activities

It would not have engaged at all in research activities in Hawaii if Hawaii did not offer the state credit for research activities

Other

3g. Has the QHTB claimed the Hawaii income tax credit for research activities since the tax year

2013?:

Yes

No

3i. What was the average annual total amount of eligible research expense incurred in Hawaii during the tax year 2018-2019? (If the QHTB was not in operation during the period, put "N/A")
