

Census & Population

The Hawaii State Data Center and the Hawaii Federal State Cooperative Program for Population Estimates participate in joint federal-state cooperative programs with the U.S. Census Bureau. These two programs are part of the Research and Economic Analysis Division of DBEDT and assist census data users in Hawaii.

Requesting Information from the DBEDT Library

We welcome all requests, but the timeliness with which we respond depends on the medium through which you ask. Walk-in and telephone requests are handled first.

Fax, correspondence and e-mail requests are answered as time permits.

Please include a fax number with all written requests, if possible, as much of our material is easily faxed and we can respond more quickly to your request.

We will provide factual information and statistics and guide you to reports, on-line sources and other government agencies. We do not do customized reports or market research reports.
