3 EASY STEPS TO YOUR DETAILED LOCAL AMERICAN COMMUNITY SURVEY DATA RESULTS

1 Get Started—www.census.gov

- Select **American FactFinder**.
- Choose **Data Sets**, then **American Community Survey**.
- Click **Detailed Tables**.

2 Select Geography

Pick one or more geographic areas, for example:

- Specify the **Geographic Type**; choose **County**.
- Select the specific **State**; choose **Virginia**.
- Select the specific **County**; choose **Fairfax County**.
- Click the **Add** button to move the area to the **Current Geography Selections**.

Click **Next** to move to **Step 3**.

3 Select a Table(s)

Pick one or more table **Selection Methods**, for example:

- Choose the **by Keyword** tab.
- Type **Veteran Status** from the list of topics; click **Search**.
- Select table **B21002: Period of Military Service for Civilian Veterans 18 Years and over**.
- Click the **Add** button to move the table to **Current Table Selections**.

Click **Show Results** to see the table for **Fairfax County, Virginia**.
