

American FactFinder®

factfinder.census.gov

The U.S. Census Bureau is the most trusted and definitive source of statistics about the American people and the nation's economy. American FactFinder® is the Census Bureau's online, self-service tool designed to deliver a wide variety of population, economic, geographic, and housing information about the United States to individuals, educators, businesses, governments, and organizations. American FactFinder® provides easy access to accurate, relevant, and timely information that supports learning, enhances decision-making, empowers individuals, and strengthens communities.

Quick Guide to American FactFinder®

factfinder.census.gov

New users, start here:

Population Finder—A single source for U.S. population trends since 1990.

Fact Sheet—A single-page overview with links to demographic profiles, thematic maps, and more.

People, Housing, Business and Government—Easy-to-use links to popular tables and maps grouped by topic.

About the Data—Learn more about the data contained in American FactFinder®.

Experienced users, start here:

Data Sets—Access the detailed results from:

- Decennial and economic censuses
- American Community Survey (ACS)
- Annual Population Estimates Program (PEP)
- Annual economic surveys

Download Center—Download large data extracts from American FactFinder®.

Resources and tools for all users:

Maps and Geography—Access the reference and thematic mapping tools in American FactFinder®.

Tools and References—Access data extraction and manipulation tools and reference documentation.

The screenshot shows the American FactFinder website. At the top, it says "U.S. Census Bureau" and "American FactFinder". Below that is a navigation bar with "Main", "Search", "Feedback", "FAQs", "Glossary", "Site Map", and "Help". The main content area is divided into several sections: "Fast Access to Information" with a search box for "Get a Fact Sheet for your community...", "Getting Detailed Data" with links to various data sources like Decennial Censuses, American Community Survey, and Economic Census, and "Special Interest" with links to specific data sets. On the right side, there are sections for "Population Data", "U.S. Population Clock" showing 302,333,031, and "What's New" with recent updates.
