This website provides Hawaii specific census data which are included in various products such as profiles, data highlights, reports and maps. They are available for different geographic areas from the national level to the small areas such as census tracts and blocks, depending upon the data and product of interest.

HSDC is a part of the Research and Economic Analysis Division (READ) of the Hawaii State Department of Business, Economic Development & Tourism. Other federal-state cooperative programs within READ include the Federal-State Cooperative for Population Estimates (FSCPE) and the Federal-State Cooperative for Population Projections (FSCPP).
